Intramuros Visit

Manila

Explore the historic centre of Manila known as Intramuros (“Within the Walls”). Founded by the Spanish in the late 16th century, the city was enclosed by thick stone walls which still stand today. At the height of its power, Intramuros was feared by Spain’s enemies as the only true European powerhouse in the whole of Asia, but after holding strong against Chinese pirates, Dutch forces, British, American and Japanese occupations, the large majority of the city was destroyed during the month-long brutal Battle of Manila fought between the Japanese and the Allies in the closing days of WWII, a battle which also claimed the lives of 100,000 Filipino civilians. A walk through this area, despite the devastation (or maybe because of it) truly gives you a sense of the history of this area.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

What is the group leader like?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are traveling through, offer suggestions for things to see and do, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16, Avg 12.

What meals are included in this trip?

8 breakfasts

What are the meals like on this trip?

Eating is a big part of traveling. G Adventures understands the importance of breakfast to start your day, we strive to include a basic breakfast wherever possible. A typical breakfast may include toast, coffee and tea, however, they may also be Asian style, consisting of noodles, congee (rice porridge), bread or eggs; this may vary depending on the city we're visiting. Vegetarians will be able to find a range of different foods, although in some areas the choice may be limited. Should breakfast not be included, your CEO can suggest some local options.

Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. While trekking in remote regions, food is included, plentiful and made of fresh local ingredients. For all trips, please refer to the meals included and budget information.

For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private vehicle, Jeepney, plane, walking

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (8 nts)

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

Are there any additional packing suggestions I should consider?

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!) as they need to fit with you in buses or on trains. You will also need a day pack/bag to carry water, cameras and other electronics like iPods and mobile phones. If your trip involves overnights in homestays, villages or camping then you usually have the opportunity to rent sleeping bags if need be instead of bringing them with you.

There may be a luggage weight restriction for the internal flight(s) on this tour. Each passenger is allowed a maximum baggage weight of 20kg (44 lb). Additional charges for excess weight may apply. These charges are the responsibility of the passenger.

When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

During this tour the local currency you will use is the Filipino Peso. As currency exchange rates in South East Asia do fluctuate, we ask that you refer to the following website for the most up to date daily exchange rates: www.xe.com for each of the above mentioned currencies. The best way to carry your money is in debit cards, withdrawing cash in local currencies from ATM machines. ATMs are found throughout South East Asia and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible in case of loss or problems with one card, you will have a back up. Please note, your bank will charge a fee for overseas withdrawals. USD Cash is recommended for times when ATMs are not accessible. You should bring some cash with you for emergency situations (please refer to our trip dossier) but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix. Travellers cheques can be tricky, timely and expensive to exchange. While we do not recommend that you bring them as your primary source of funds, it is great to have one or two cheques in case of emergency. Thomas Cook or American Express travellers' cheques in US currency are the easiest to exchange. Cash advances can also be made with some banks but are time consuming and tend to have high fees attached. Credit cards can be used at some upmarket restaurants, and at some larger stores if shopping for big items. If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 2003, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$250 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

What activities are optional on this trip?

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our CEO's are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with [Planeterra Foundation](#).

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites.
