Please look for a message from your CEO at reception detailing when and where to meet.

## Today's Activities

### ACTIVITY

Day 2

## Munich

Enjoy a guided walking tour of Munich, then tour a local brewery. Opt to head out on the town to try a pretzel or bratwurst.

Want something local? Try a 'weisswurst' with a soft pretzel and some sweet mustard.

### Today's Activities

Munich Orientation Walk With CEO

Munich

Stroll around with your CEO and admire the sights while walking around Munich. Stop by the Marienplatz or town centre, the Hofbräuhaus, and/or the Frauenkirche Cathedral. This capital city of Bavaria is buzzing with life and a walk around is the perfect way to soak in the energy.

#### ACTIVITY

Visit a local Munich brewery. Learn how beer is made and enjoy a sample of the finished product. Consider this a warmup for Oktoberfest.

Day 3

## Munich

Don a dirndl or lederhosen and hit the fest! Enjoy the music, beer and revelry of the one true Oktoberfest with the locals.

---

### Today's Activities

#### ACTIVITY

Head over to the raging party that is the famous (or infamous!) Oktoberfest. Experience the entire spectrum of the Oktoberfest: watch how the spectacle progresses from the mellow morning atmosphere. A few hours later, after a couple of one-litre beers, some locals may be up on the benches singing along with the oom pah pah band. If you want to truly be a part of the cultural experience, this is the only way to go!

Day 4

## Munich

Free day to explore more of Munich or return back to the revelry of Oktoberfest. Enjoy a typical Bavarian meal on a final night out with the group.

The last day's included activity will be a dinner and beer at a typical Bavarian restaurant right in the heart of Munich. Bavarian fare does not consist only of sausages and sauerkraut. Oh no no mein Bruder, you'll have the chance to sample hearty foods such as pig's knuckle, schnitzel, haxe, creamy sauces with locally produced mushrooms, suckling pig, creamy cheeses etc. This food is rich and tasty, just be prepared for a higher than normal fat content.

Enjoy the moments in a hearty Bavarian restaurant atmosphere where the waiters are dressed in traditional Bavarian clothing and the pure joy that bursts from every seam during the world's one and only Oktoberfest season.

## Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. **VERY IMPORTANT:** Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

## Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

## What important notes should I be aware of before the trip?

### 1. LOCAL GUIDES

It is important to note that in Europe, all guiding is based around local guides all of whom are licensed to work only in a particular city. As such, our leaders are able to provide orientation walks which will show you the layout of each town and city as well as the location of local services such as post offices and laundromats, but are unable to legally share historical facts and figures in public places.

### 2. ARRIVAL

Please note that you need to check in to the joining hotel by 6pm at the latest on Day 1. If you cannot do this, please advise your booking agent and alternate arrangements will be made.

## What is the group leader like?

This G Adventures group trip is accompanied by one of our CEOs (Chief Experience Officer). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

## **How large will the group be?**

Max 16, avg 12.

## **What meals are included in this trip?**

1 dinner

## **What are the meals like on this trip?**

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip.

## **What are the modes of transportation on my trip?**

Metro, tram, walking

## **Is there an extra cost for travelling solo?**

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

## **Where will we stay during the trip?**

Local apartments (4 nts).

## **What kind of accommodation can I expect on this trip?**

Please note that the apartments on this trip are quite simple, in traditional European style. They are located a few metro stops from the Oktoberfest action, but our travellers tend to appreciate the quiet neighbourhood for sleep.

It is important to note that accommodation in Europe tend to be quite different to other areas of the world you may have travelled in. Buildings and rooms are generally old and may not have been renovated or maintained to the highest standard. Downtown hotels in Europe were not build to be hotels but rich owners houses, which have been changed into hotels. Therefore unusual room sizes are common as large rooms have been partitioned in the past, resulting in rather "thin" walls. Reception areas, rooms and bathrooms tend to be very small as they were often added into an existing room, and may have a hand nozzle rather than a conventional shower head.

Staff can occasionally demonstrate less than perfect customer service. As accommodation is in short supply, hotels can charge a premium and there is sometimes little motivation to improve facilities.

You can expect to find a clean, safe, simple accommodation in convenient locations.

## **What is the joining hotel?**

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

# What are the joining instructions?

Please note that day 1 is an arrival day and no activities have been planned on this day. Upon arrival to the city on day 1 (or earlier if you have booked pre-accommodation with us), please make your way to the joining hotel (note that check-in time will be in the afternoon). Once you arrive at the hotel, look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

## GETTING TO CONCEPT LIVING MUNICH:

From the train station:

Upon arrival to the main train station in Munich, take the underground train U2 to Giesing. This should take roughly 9 minutes. From there, it is only a 5 minute walk to the the hotel.

If you are unable to get in touch with your leader, please refer to our emergency contact details.

## Are there any additional packing suggestions I should consider?

We recommend using a backpack for your convenience, or a medium-sized suitcase if you prefer. A daypack is also essential for carrying everyday items. Space is limited on transportation, so there is a limit of one main piece of luggage per person. You will be responsible for carrying your own luggage. You must be prepared to carry your luggage up and down stairs, on and off transportation, and to hotels (max 15-20 mins.)

## What should be on my packing list?

### Health & Safety:

- Face masks (Clients will be only be required to wear a face mask where it is mandated by local regulations.)
- Pen (Please bring your own pen for filling out documents.)
- Hand sanitizer

## When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

## What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

All visitors to the EU (European Union) and EEC (European Economic Community) countries require a valid passport (with a minimum 6 months validity). USA, Canada, Australia and New Zealand passport holders do not need a visa to visit the Schengen area (see below), however they may not stay longer than three months in any 6-month period.

For other nationalities, travelling in Europe has been simplified with the introduction of the Schengen visa. As a visitor to the Schengen area (Austria, Germany, Netherlands, Belgium, Greece, Norway, Denmark, Iceland, Portugal, Finland, Italy, Spain, France, Luxembourg, Sweden, Czech Republic, Hungary, Estonia, Latvia, Lithuania, Malta, Poland, Slovakia, Slovenia and Switzerland) you will enjoy the many advantages of this unified visa system. Generally speaking with a Schengen visa, you may enter one Schengen country and travel freely throughout the Schengen region during the validity of your visa. There are limited border controls at Schengen borders, if any at all.

Please note that the UK and Ireland are NOT part of the Schengen agreement.

A Schengen visa is applied for at the Embassy or Consulate of the Schengen country in which you will be spending the most nights on your trip to the Schengen space. If you are only visiting one country on your trip then you apply for your visa at the Consulate of this Schengen country.

## What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## What should I know about currency, credit cards, and exchanging money while on this tour?

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Western Europe. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of euros, travellers cheques and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: [www.xe.com](http://www.xe.com)

## How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

## Should I be tipping on my trip?

It is customary in Europe to leave a small tip for service providers, such as waiters, if you are pleased with the service (€1-2).

Tipping is an expected - though not compulsory - component of your tour program, and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping local guides would range from €3-5 per day, depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline €30-40 per person, per week can be used.

## What activities are optional on this trip?

### Füssen

- Neuschwanstein Castle Visit  
(51EUR per person)

## **Are there any health considerations I should know before travelling?**

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware for legal reasons our CEO's are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

## What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

[www.gadventures.com/travel-resources/safety/](http://www.gadventures.com/travel-resources/safety/)

## What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

## Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
