Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there an itinerary Disclaimer?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. Dinner on Day 4 is not included, but you will have the option of joining your group for a beach BBQ on Gili Sudak.
2. Space is very limited on the boat, especially in your cabin. It is important that you only take on board soft sided luggage such as a mid sized backpack or soft duffel bag, keeping your bag's weight to less than 15kg. Suitcases are not appropriate for our sailing adventure as they are not pliable enough to fit into the niches available for luggage storage.
3. Fresh water is very limited on board, and as such we ask for your understanding that showers are limited to one quick shower per person a day. One towel per week is provided for showering purposes - please bring a beach towel. Drinking water is provided free of charge on board the yacht.

4. It's important to note that the beds in the cabins are not the usual length of a standard bed. Cabin beds are approximately 1.8m (6 ft) in length.

5. RAMADAN

According to the lunar cycle, Ramadan will fall between April 23rd and May 23rd, 2020. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

How large will the group be?

Max 12

What meals are included in this trip?

6 breakfasts, 6 lunches, 6 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Traveling with G Adventures you experience the vast array of wonderful food that is available out in the world.

Food is a major part of this sailing adventure. You will enjoy many home cooked meals lovingly prepared by our on board cook. Portions are generous and will include sea food, typical dishes and even the occasional breakfast fry up. Non included meals are taken ashore at local restaurants.

Drinking water is provided and beer, wine and soft drink is available to purchase at cost price aboard.

Dinner on Day 4 is not included, but you will have the option of joining your group for a beach BBQ on Gili Sudak.

What are the modes of transportation on my trip?

17m (57 ft) sailing catamaran.

What transportation will we take on this trip?

Please note that this is a sailing catamaran, and the skipper will be using wind power when the winds are agreeable. Although this is not a learn to sail program, you may have a chance to learn a few tricks of the trade and assist the skipper with navigation while sailing. There are times when motoring the catamaran will be required, due to unfavorable wind conditions.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

6 double/twin bed cabins (6 nts).

What kind of accommodation can I expect on this trip?

The catamaran is equipped with a total of 6 passenger cabins – 4 twin cabins, 2 bunk cabins. All cabins feature a porthole and rooftop pop-top. The vessel also features an onboard kitchenette.

Power onboard is 220V on European 2 pin sockets. Please note that this is not suitable for sleeping aid machines, as the power source may not always be operating. Bringing a battery pack is recommended.

What are the joining instructions?

PLEASE NOTE THAT YOU ARE REQUIRED TO BE AT THE JOINING POINT (Gold Island Beach Club) AT 10 AM ON DAY 1.

Gold Island Beach Club located on the northern end of SERANGAN VILLAGE, around 12 kilometers from the Bali International Airport. It is half way between Sanur and Kuta, the famous tourist towns in Bali, and around 60 kilometers from the famous Ubud - the Arts & Crafts Capital of Bali. When you entering Serangan Village, there is a gate requires you to pay environmental fee IDR 2,000 for one car/taxi.

From Bali International Airport:

For travelers with a transfer arranged by G Adventures:

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you.

Please find the representative office "Bali Prasarana Fortuna", this office is located approximately 30 meters from the exit doors after luggage check. Our transfer representative will be waiting for you with a G Adventures sign board in hand. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

For travelers arranging a taxi:

Once you have stepped outside, there is a taxi stand with set rate taxis to various destinations in Bali. The prices are listed on the wall and can be paid in Rupiah or in US Dollars (your exchange rate will be slightly lower than what you will get in Money Changer) You will receive a voucher after the payment and a driver will show you the taxi. The drive to Serangan Village is approximately 30 minutes, but can take much longer if the traffic is bad. There is a highway that connects the airport and the By Pass Road and it will reduce your driving time for about 10 minutes. An additional IDR 10,000 should be paid on top of the taxi fee if you choose to use the highway.

From other places:

It is very easy to get a taxi with meter (Blue Bird is recommended) to Serangan Village.

From Sanur is about 15 minutes drive and cost you around IDR 100,000

From Kuta is about 30 minutes drive and cost you around IDR 150,000

From Seminyak is about 30 minutes drive and cost you around IDR 150,000

From Ubud it is about 1.5 hour drive and a car transfer would cost you around IDR 350,000 – IDR 400,000

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

What activities are optional on this trip?

- No optional activities

Are there any health considerations I should know before travelling?

Please note: We do not have a constant power source onboard, and cannot facilitate the use of Sleep Apnea/CPAP machines. Bringing a suitable battery pack is required.

Inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information about before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
