Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. Space is very limited on the boat, especially in your cabin. It is important that you only take on board soft sided luggage such as a mid sized backpack or soft duffel bag, keeping your bag's weight to less than 15kg. Suitcases are not appropriate for our sailing adventure as they are not pliable enough to fit into the niches available for luggage storage.
2. Fresh water is very limited on board, and as such we ask for your understanding that showers are limited to one quick shower per person a day. One towel per week is provided for showering purposes - please bring a beach towel. Drinking water is provided free of charge on board the yacht.
3. It's important to note that the beds in the cabins are not the usual length of a standard bed. Cabin beds are approximately 1.8m (6 ft) in length.
4. Displaying body art or wearing clothing that includes an image of the Buddha is illegal; please be culturally sensitive and respect the law and should you have any such tattoos, keep them covered at all times.
6. Traveling by road in Sri Lanka is certainly not what people are use to in Western countries. Many road ways are single lane, rules are not always followed, drivers appear to speed, do not stay in their lanes, and overtake in seemingly dangerous situations. Although there are some improvements in the works to the road infrastructure, there is a lot more to be done. As a result, some of the roads are poorly maintained, and this gets even more pronounced during and after the monsoon. As a result, travel time covering relatively short distances is very long in comparison to Western countries.

COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

What is the maximum and typical number of participants on this tour?

Max 12

What meals are included in this trip?

6 breakfasts, 5 lunches, 6 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Traveling with G Adventures you experience the vast array of wonderful food that is available out in the world.

Food is a major part of this sailing adventure. You will enjoy many home cooked meals lovingly prepared by our on board cook. Portions are generous and will include sea food, typical dishes and even the occasional breakfast fry up.

Drinking water is provided and beer, wine and soft drink is available to purchase at cost price aboard.

Non included meals are taken ashore at local restaurants.

There's nothing left to do but kick back and relax!

What are the modes of transportation on my trip?

16m (54 ft) sailing catamaran.

How will we travel between destinations?

Please note that this is a sailing catamaran, and the skipper will be using wind power when the winds are agreeable.

Although this is not a learn to sail program, you may have a chance to learn a few tricks of the trade and assist the skipper with navigation while sailing. There are times when motoring the catamaran will be required, due to unfavorable wind conditions.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

6 double/twin bed cabins (6 nts).

What should I expect from the accommodations on this trip?

The catamaran is equipped with a total of 6 passenger cabins, 4 with double beds below deck, with a porthole and rooftop pop-top; and 2 bunk bed cabins on the main deck. The vessel also features an onboard kitchenette.

Power onboard is 220V on European 2 pin sockets. Please note that this is not suitable for sleeping aid machines, as the power source may not always be operating. Bringing a battery pack is recommended.

What are the joining instructions?

PLEASE NOTE THAT YOU ARE REQUIRED TO BE AT THE JOINING POINT (Nissan Beach Hotel and Restaurant Mirissa) AT 4PM ON DAY 1.

Flights should arrive no later than 11AM.

Please contact your GCO or travel agent to inquire about purchasing an arrival transfer from Colombo to Mirissa or airport transfer. The arrival transfer can only be offered on Day 1 and cannot be scheduled any earlier.

What should I do if I can't find my airport transfer or experience arrival issues?

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Sri Lanka:

As of October 15th 2025, it will be mandatory for all foreign nationals visiting Sri Lanka for tourism purposes to obtain an Electronic Travel Authorisation (ETA) prior to their arrival in Sri Lanka

Apply for ETA [here](#)

Information is accurate as of October 1st, 2025.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

What are the tipping guidelines for this trip?

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO, Skipper and Cook did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$10-15 USD per person, per day can be used.

What activities are optional on this trip?

Kudawella

- Kalametiya Village & Sanctuary visit

Galle

- Galle Fort and City Tour

Are there any health considerations I should know before travelling?

Please note: We do not have a constant power source onboard, and cannot facilitate the use of Sleep Apnea/CPAP machines. Bringing a suitable battery pack is required.

Inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

What are the mandatory travel insurance requirements for this trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

When packing be aware that dress standards are conservative throughout Asia. To respect this and for your own comfort, we strongly recommend modest clothing for when on land. This means covering shoulders and no short shorts. Loose, lightweight, long clothing is both respectful and cool in the predominantly hot Asian climate. Shorts should be knee-length.
