What should I consider when planning my personal expenses and discretionary spending for this itinerary?

While personal spending habits naturally vary, we recommend factoring in your individual preferences for shopping, tipping, and beverages to ensure a seamless experience. In addition to these day-to-day comforts, we kindly ask that you maintain access to a minimum of USD \$200 (or its equivalent) as a dedicated emergency fund; though exceptionally rare, unpredictable circumstances such as changing weather patterns or natural events may occasionally necessitate a shift from our planned route, and this reserve ensures we can navigate any path ahead with peace of mind.

What emergency funds do I need access to on this trip?

While personal spending habits naturally vary, we recommend factoring in your individual preferences for shopping, tipping, and beverages to ensure a seamless experience. In addition to these day-to-day comforts, we kindly ask that you maintain access to a minimum of USD \$200 (or its equivalent) as a dedicated emergency fund; though exceptionally rare, unpredictable circumstances such as changing weather patterns or natural events may occasionally necessitate a shift from our planned route, and this reserve ensures we can navigate any path ahead with peace of mind.

What are the tipping guidelines for this trip?

To ensure a seamless and elevated experience throughout your National Geographic Signature departure, gratuities have been fully taken care of for all included meals, activities, and luggage portage.

On our National Geographic Signature tours, tipping is included for all included activities and meals, and portage. Tipping is not included for the Expedition Leader. Should you want some basic guidelines on tipping for the activities you do on your own, please see below. At the end of each trip if you felt your National Geographic Signature Expedition Leader did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline would be \$10-\$15 per person per day. Tipping is neither required nor expected for your National Geographic Expedition Expert.

For the independent moments on your itinerary, it is appropriate in Asia to tip 10%. Though not compulsory, tipping is expected. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels and shows an expression of satisfaction.

What activities are optional on this trip?

- No optional activities

Are there any health considerations I should know before travelling?

Please note that health requirements and recommended inoculations vary by destination. To ensure your well-being, it is your responsibility to consult with a specialized travel physician for up-to-date medical guidance well before departure.

We highly recommend carrying a personal first aid kit, hand sanitizer, and any essential prescription medications. Because our itineraries frequently trace paths through remote regions far from advanced medical facilities, legal regulations prohibit our National Geographic Expedition Leaders from administering any medication, including standard over-the-counter pain relievers. While local pharmacies along our route may stock familiar remedies, they are often produced under regional names, so we advise bringing the generic chemical name of any critical prescription. Before finalising your plans, please carefully review the itinerary and physical requirements to ensure your personal fitness aligns with our style of exploration. To safeguard the well-being of the group, we reserve the right to excuse any traveller from all or part of an itinerary if, in the professional judgment of our Expedition Leader, continuing would pose an undue risk to themselves or their fellow travellers.

What general safety tips and free-time guidelines should I follow?

To ensure your well-being and security throughout our explorations, we recommend consulting your home government's regularly updated international travel advisories prior to departure. For peace of mind while on the move, we strongly advise using a concealed neck wallet or money belt to secure your passport, travel documentation, and currency. We suggest leaving exceptional jewelry at home, as it is unnecessary for our style of travel; instead, make use of the safety deposit boxes available at most of our accommodations. Securing your luggage with a reliable lock is also highly recommended.

When travelling on a departure, your National Geographic Expedition Leader maintains the authority to modify or adapt any portion of the itinerary should environmental conditions or safety considerations require it. Your Expedition Leader accompanies the group on all scheduled activities, but you will also enjoy unstructured time to pursue personal interests, relax, or discover locales at your leisure. While your leader is delighted to suggest local options for these independent periods, please note that these optional choices do not form part of our curated itinerary, and we make no representations regarding their operating standards; we encourage you to exercise your own discerning judgment.

While the destinations we visit are welcoming during the daytime, navigating urban environments at night requires mindfulness. We recommend exploring in small groups and utilizing local taxis when dining out or moving about after dark. Furthermore, should you encounter public demonstrations or political gatherings, please prioritize your safety by leaving the vicinity immediately rather than remaining for photographs, as these situations can evolve rapidly.

Water-based experiences carry inherent risks. To ensure your protection, we recommend participating in aquatic activities only when accompanied by professional guides. Our commitment to safety means that our Expedition Leaders are strictly prohibited from facilitating unguided water activities on your behalf. Please note that swimming and snorkelling are always undertaken at your own risk. For further insights on enhancing your personal safety during your voyage, please visit www.gadventures.com/travel-resources/safety/

For peace of mind while on the move, we strongly advise using a concealed neck wallet or money belt to secure your passport, travel documentation, and currency. We suggest leaving exceptional jewelry at home, as it is unnecessary for our style of travel; instead, make use of the safety deposit boxes available at most of our accommodations. Securing your luggage with a reliable lock is also highly recommended.

What are the mandatory group rules regarding laws and behaviour?

Our philosophy of travel is rooted in deep respect for the people, cultures, and lands we encounter. To ensure the safety of our travellers, staff, and the communities that welcome us, the possession or use of illegal drugs is strictly prohibited on all departures. While certain substances may be woven into local traditions in some regions, they are not permitted within our groups. Furthermore, any form of exploitation, including the solicitation of sex workers, directly contradicts our values. To protect the integrity of the experience and the well-being of the group, our National Geographic Expedition Leader retains the right to remove any traveller who violates these standards.

What are the mandatory travel insurance requirements for this trip?

Comprehensive travel insurance is a mandatory prerequisite for participation in all our departures. To safeguard your well-being, your National Geographic Expedition Leader will kindly request to verify your physical policy details before you may officially join your fellow travellers.

When choosing your coverage, please ensure your policy includes full medical protection, featuring a strict minimum requirement of \$200,000 USD for emergency rescue and medical repatriation. For complete peace of mind while exploring, we also strongly advise securing comprehensive coverage for personal liability, trip cancellation or curtailment, and the loss of luggage and personal belongings. If you intend to rely on insurance provided through your credit card, you must supply formal proof of purchase—such as a credit card statement or receipt in your name—along with explicit confirmation from your banking institution regarding the participating insurer, exact policy limits, and their dedicated 24-hour emergency contact number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with [Planeterra Foundation](#).

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites.

How can I share feedback about my trip experience?

Upon your return, we invite you to share your insights with us. Your valued feedback shapes the future of our itineraries and ensures we continue to deliver meaningful experiences. As a token of our appreciation for your time, we are pleased to offer a 5% savings (up to a maximum of \$100 USD) toward your next expedition with us. Simply submit your evaluation within four weeks of completing your travels to unlock this benefit and join our global community of returning travellers.

*This offer is valid for new bookings only, limited to one per person, and cannot be combined with other promotions or applied to independent itineraries. Maximum value of \$100 USD (or local currency equivalent). This program may be amended or withdrawn at any time.

What are the age restrictions for this trip?

You must be 18 to travel unaccompanied on a G Adventures tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.
