Day 1

Dinner Party: Tokyo

Welcome to Japan! Meet your included arrival transfer at the airport to head to the hotel where you'll meet your other Solo-ish travellers and CEO for a welcome briefing. Then head off with your new travel mates for a dinner party in Tokyo! Together you'll cook some of Japan's most popular dishes like Japanese egg omelet, onigiri, teriyaki and seasonable vegetables. After working together to make the meal, have a seat next to another Solo-ish friend and enjoy the delicious Japanese food!

Make sure to arrive no later than 2:00 pm to make it to your welcome briefing and then head to your local cooking class.

The most convenient way to get around Japan is by public transportation and on foot. The country's train system is often considered one of the best in the entire world so the majority of our trips utilize this efficient train network. In this tour, you will need to be able to spend the majority of the day on your feet and carry your luggage through busy train stations and streets. On average, tours in Japan walk about 15,000 steps a day. Please ensure you are fit enough to carry your own luggage and spend most of the day on your feet.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. Tattoos

Tattoos are not common or widely accepted in Japan. There is no cause for concern, but do your best to cover your tattoos when possible and note that you may not be permitted to enter public spas or onsens (hot springs).

2. Luggage size restriction

All G Adventures tours in Japan use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size. Your luggage must be less than 160cm in total. This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments.

3. We strongly recommend bringing a day pack or backpack to use during the day, in addition to your carry-on sized luggage. Please see "What to take" under Tour details for more information.

4. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

5. OVERNIGHT BAG

While we ride the bullet train, your main luggage will be sent on Japan's takkyubin service (luggage transfer) to the next destination. Please note, you will NOT have access to your main luggage for approximately 24 hours. You must pack an overnight bag with everything you'll need until you're reunited with your luggage the following day. Only one bag per passenger is permitted on the luggage transfer. If you have more, there will be an additional charge at the traveler's expense.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our Chief Experience Officer's (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are traveling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

What is the maximum and typical number of participants on this tour?

Max 16, avg 12

What meals are included in this trip?

10 breakfasts, 2 lunches, 3 dinners

What are the meals like on this trip?

Eating is a big part of traveling. G Adventures knows that worldwide, local cuisines define the cultures. We think sampling regional delicacies are intrinsic to truly experiencing the country. We want you to be able to try foods according to your individual tastes, comforts, and budgets.

Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility. At times, meals will be taken together as a group. Other times, your CEO will point you in the direction of several delicious options, and you will have free time to pick and choose at will. Often in Japan it is fun to get some snacks and beverages with the salarymen in the evenings at small restaurants, and other times it is fun to sit with a few friends at a sushi train.

Your CEO will always strive to cater for all dietary requirements/preferences, but please keep in mind that Vegetarianism/Veganism and Gluten Free Options are very uncommon in Japan, especially in rural areas, so this may mean a more limited selection for you.

Please refer to the Meals Included and Budget Information for information regarding included meals on your trip. Japan's kitchen is at your fingertips!

What are the modes of transportation on my trip?

Bullet train, local train, private vehicle, walking.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (twin-share 8nts), temple stay (1nt multi-share), ryokan stay (twin-share 1nt).

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Exception night 3 (temple stay) & 6.

What details should I be aware of when planning my departure day?

Please book departure flights no earlier than 4:00 pm.

What are the packing guidelines and luggage restrictions?

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!) as they need to fit under the beds when travelling on sleeper trains. You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones. If your trip involves overnights in homestays, villages or camping then you usually have the opportunity to rent sleeping bags if need be instead of bringing them with you.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What are the tipping guidelines for this trip?

Tipping for service is not practiced in Japan. Leaving money at restaurants, in taxis etc will simply cause confusion.

Tipping within the travel industry is standard to recognize the guide for a great experience. Our CEOs work hard to make your trip special. If you're happy with their service, a tip of \$5-\$7 per day is a great way to say thanks, though the final amount is completely up to you.

What activities are optional on this trip?

Kyoto

- Nishiki Market Visit

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

What are the mandatory travel insurance requirements for this trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
