Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

For groups of 3 passengers travelling together who have booked a triple cabin, you will have a triple room in the hotel where available. If we cannot book a triple room, please note that one of you will be sharing with another solo traveller of the same gender for the first night hotel.

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to arrive before embarkation time (usually 4pm) of Day 2 please use the emergency contact details in this dossier. We highly recommend arriving at least 1 day before sailing in order to make sure that delays do not ruin your trip as the ship is unable to wait for late passengers. If you are delayed in arriving to prebooked accommodations please contact the hotel to advise them when you will arrive. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. One of the important items that you will need to bring on your voyage is a pair of waterproof pants. Occasionally Zodiac landings mean stepping from the Zodiac into shallow water and waterproof pants are essential.

In the worlds most remote destinations that the G Expedition travels to we cannot offload our plastics, glass or tin waste for recycling. Therefore, we try to reduce what single use items that we use. You will see on the ship that every effort is being used to stop the use of single use plastic containers, bags and other items. In an effort to prevent plastic waste from entering the waste stream, we are asking for your help. We offer exceptional drinking water on the ship with refilling stations for your re-useable water containers. You will be provided a complimentary water bottle to fill up as needed. Plastic Items such as single use shampoo/conditioner plastic containers cannot be recycled, so please plan to bring any plastics back to your home countries for recycling. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

We recommend that you wear minimal jewelry and that you keep valuable items safely stored in our complimentary safety deposit box, which is located at the Purser's Desk.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

Keeping in Touch on the G Expedition

While you are on board the G Expedition, we know that keeping in touch with your family and friends is important to you. We want to ensure you have the tools available to keep you connected in some of the most remote regions of the world. We have a satellite system, which allows our travellers to connect to the internet or make phone calls with the purchase of personal data credit. Travellers may use our computer room or use any Wi-Fi enabled device to connect to our network, which is available in public areas on Decks 4 and 5. Satellite phone service is available and private calls can be made from our phone booth. Due to using a satellite connection and travelling in remote regions, internet can be slow and sometimes unavailable. The connection in the high Arctic is particularly challenging and no connection is available while in and around South Georgia Island.

Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

The safety and well-being of all of our travelers is a priority at G Adventures and that includes our travelers who identify as part of the LGBTQ+ community. We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security. We encourage you to visit our [LGBTQ+ page](#) for useful resources to ensure you feel safe and comfortable throughout the duration of your trip.
