A NOTE ON FLYING INTO USHUAIA

From our experience we have found that there are significant delays especially in high season on flights from Buenos Aires to Ushuaia. We highly recommend booking your travel arrangements to arrive into Ushuaia earlier in the day on Day 1. We are happy to book additional pre-tour accommodations should you want some additional time in Ushuaia.

All international flights flying into Buenos Aires arrive at Ministro Pistarini Airport (EZE) in Buenos Aires. Please check with your airline as to which airport your domestic flight will be flying out of.

Most flights that continue to Ushuaia depart from the domestic airport (J. Newberry - AEP). Please check with your airline to make sure which airport you are flying out of. On arrival at the International airport, there is an airport shuttle service, Manuel Tienda Leon, available at an approximate cost of USD \$16.00 each way. It is about 1 to 1.5 hours between the airports, so please allow yourself enough time.

Please also confirm the luggage restrictions for your flight from Buenos Aires to Ushuaia as domestic flights generally allow less luggage than international flights.

ARRIVAL INTO USHUAIA

G Adventures is happy to offer you a complimentary airport transfer if you are arriving on Day 1 of the tour or have booked pre-night accommodation through G Adventures.

ARGENTINA'S "RECIPROCITY FEE":

Effective January 7, 2013 all US, Canadian and Australian citizens are required to pay a reciprocity tax in order to enter Argentina. This reciprocity tax must be paid in advance online with a credit card. Cash at the border or airport is not accepted.

Joining Instructions with complimentary transfer:

Upon arrival into Ushuaia City Airport (USH) please collect your luggage and look for a G Adventures representative. Please make sure you have advised your booking agent of your arrival flight details into Ushuaia so we are expecting you. Be sure to keep all your important documents (i.e. passport) and medication in your hand luggage, as your main luggage will be transferred separately to the hotel.

Joining Instructions without complimentary transfer:

Ushuaia City Airport (USH) is located only 5 km outside of the city. Local taxis can be hired at the airport for transportation into Ushuaia at a cost of about \$10 USD. On your arrival to Ushuaia please make your way to the hotel listed on your voucher. Information will be available on the notice board at the hotel. Luggage tags and other information will be available for you 1 day prior to embarkation.

Your luggage will be transferred for you from the hotel to the expedition ship on the morning of Day 2. Please have your luggage in the lobby of the hotel by 9:00 am on the morning of Day 2. You will have the morning free to enjoy the city of Ushuaia and the surrounding countryside.

Embarkation time is set for 4:00 pm and passengers will not be able to board the ship before that time due to refueling, provisioning, and preparing the ship for your stay. For information on activities, restaurants and services you can consult either the tourist information office or your hotel. Due to new port security regulations you are no longer allowed to enter the port area on your own so make sure you are on time at the designated parking lot across the pier to catch the 4:00 pm group transfer to the ship. More details will be provided with your hotel welcome letter.

On embarkation day, you should dress for changeable weather. Once aboard, you will find your luggage stored in your assigned cabin, please ensure that all your luggage is accounted for on arrival.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to arrive into Ushuaia before embarkation time (usually 4pm) of Day 2 please use the emergency contact details in this dossier. We highly recommend arriving at least 1 day before sailing in order to make sure that delays do not ruin your trip as the ship is unable to wait for late passengers. If you are delayed in arriving to prebooked accommodations please contact the hotel to advise them when you will arrive. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your booking agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Operator (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

Are there any additional packing suggestions I should consider?

Most airlines allow one checked bag and two carry-on per person. To avoid any problems at check-in and with possible excess baggage charges, please consult the airline for specific restrictions. For storage on board the expedition ship soft compactible luggage makes storage much easier.

Dress on board is informal. Plan to bring comfortable, casual clothing for all activities. When packing, we suggest that you do not weigh yourself down with too many clothes or too much gear. Select informal, practical attire that can be worn in layers.

In the worlds most remote destinations that the G Expedition travels to we cannot offload our plastics, glass or tin waste for recycling. Therefore, we try to reduce what single use items that we use. You will see on the ship that every effort is being used to stop the use of single use plastic containers, bags and other items. In an effort to prevent plastic waste from entering the waste stream, we are asking for your help. We offer exceptional drinking water on the ship with refilling stations for your re-useable water containers. You will be provided a complimentary water bottle to fill up as needed. Plastic Items such as single use shampoo/conditioner plastic containers cannot be recycled, so please plan to bring any plastics back to your home countries for recycling. Please do not bring single use items that you intend to leave behind such plastic bags and throw away razors. Your participating in helping to prevent pollution and promote recycling is greatly appreciated.

Laundry facilities are offered by some of our hotels for a charge. Aboard the G Expedition, laundry is available to be serviced by our shipboard team at an additional charge.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

Before and after the cruise:

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work overseas. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollars cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

While on board our Expedition ships, cash and most major credit cards (VISA, Mastercard and AMEX) are accepted to clear incidental bills at the end of the cruise by the ship's Purser (ie. bar bills, laundry etc.).

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. It is an expression of satisfaction with the persons who have assisted you on your expedition. The industry standard and suggested amount is USD \$10 - 15 per person per day spent on board. Of course, tipping is a personal choice and the suggested amount is set only as a guideline. The money is collected by the Hotel Manager at the end of the voyage and distributed amongst the crew and Expedition Staff. The Officers choose not to participate in the tipping pool.

What activities are optional on this trip?

Ushuaia

- Martial Glacier Hike
- Expedition Lecture Program (South America)
- Tierra del Fuego National Park Visit

Nazca

- Flight over Nazca Lines

Trujillo

- Chan Chan Archaeological Excursion

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

We recommend that you wear minimal jewelry and that you keep valuable items safely stored in our complimentary safety deposit box, which is located at the Purser's Desk.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Keeping in Touch on the G Expedition

While you are on board the G Expedition, we know that keeping in touch with your family and friends is important to you. We want to ensure you have the tools available to keep you connected in some of the most remote regions of the world. We have a satellite system, which allows our travellers to connect to the internet or make phone calls with the purchase of personal data credit. Travellers may use our computer room or use any Wi-Fi enabled device to connect to our network, which is available in public areas on Decks 4 and 5. Satellite phone service is available and private calls can be made from our phone booth. Due to using a satellite connection and travelling in remote regions, internet can be slow and sometimes unavailable. The connection in the high Arctic is particularly challenging and no connection is available while in and around South Georgia Island.

Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

The safety and well-being of all of our travelers is a priority at G Adventures and that includes our travelers who identify as part of the LGBTQ+ community. We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security. We encourage you to visit our [LGBTQ+ page](#) for useful resources to ensure you feel safe and comfortable throughout the duration of your trip. The Equaldex tool linked on this page can be of particular help when deciding where you may want to visit next.
