Private, Guided Tour of the Apartheid Museum

Johannesburg

The Apartheid Museum is a museum in Johannesburg, South Africa, that chronicles the history of apartheid from its rise in 1948 to its fall in 1994, showcasing the struggle against racial segregation and the transition to a democratic society through exhibits like photographs, artifacts, and personal stories. It is considered a leading institution for understanding 20th-century South Africa and features immersive exhibits, including separate "White" and "Non-white" entrances that reflect the country's past segregation. It is a significant cultural and educational destination, considered the preeminent institution for studying South Africa's apartheid history. There will be refreshments and a light lunch before your guided, private tour.

Day 6

JOHANNESBURG TO GREATER KRUGER AREA VIA HOEDSPRUIT

Visit the Nelson Mandela Foundation for a tour of Madiba's post-presidential office, a quiet space filled with the history of his legacy. In South Africa, Madiba is an affectionate and respectful name for Mandela, originating from his Xhosa clan name, and symbolizing deep admiration of his legacy. Later, fly to the Greater Kruger area and settle in at your safari lodge. This afternoon, meet a researcher from the Endangered Wildlife Trust (EWT) and learn about their vital work protecting cheetahs and wild dogs, and supporting local communities. Afterward, head off on your first safari drive in the private reserve with the researcher, scanning the bush for Africa's famed 'big five' as the sun begins to lower.

TODAY'S ACTIVITIES

Victoria Falls Guided Experience

Victoria Falls

2h30m

Victoria Falls is one of the most compelling sites in the world, this cascading column of sheer energy powers its way down a 100m chasm, taking your breath away with its strength and incredible beauty. Victoria Falls is the world's largest curtain of falling water, creating immense spray, rainbows, and a unique rainforest ecosystem. Take in this magnificent natural wonder during a private, guided tour on the Zimbabwe side of the falls.

ACTIVITY

Start your visit to Victoria Falls off on the right foot by sitting down to a traditional, Zimbabwean meal, cooked by the Lusumpuko Women's Club, a group of women from a nearby township. A demonstration by the ladies will show you exactly how Zimbabweans traditionally eat their food, and you'll be served a farm-to-table meal made with traditional, local, in-season ingredients. This meal provides much-needed income to the cooperatives' 20 members – changing their lives and families in the process.

Victoria Falls Wildlife Trust Expert-led Discussion

Victoria Falls

1h

Gather together for a discussion on wildlife rescue and rehabilitation work from a member of the Victoria Falls Wildlife Trust.

ACTIVITY

Board a private dinner cruise on the Zambezi River with a special guest speaker who will share tales of explorer David Livingstone. This unique experience combines gourmet dining with gorgeous scenery, creating an unforgettable evening on the water.

Day 12

VICTORIA FALLS/CHOBE NATIONAL PARK

After breakfast, drive through Zambezi National Park and cross into Botswana. Arrive at your hotel, settle in, enjoy a light lunch. During high tea, join a talk to gain deeper insight into the park's conservation efforts before boarding eco-friendly, electric boats to take in the stunning vistas and wildlife along the Chobe River. Spot elephants along the water's edge and relax with a sundowner on deck. Return to the lodge for dinner by the river, accompanied by the sounds of the African night.

Chobe River Safari Boat Cruise

Chobe National Park

3h

Board eco-friendly, electric boats and take in the stunning vistas along the Chobe River right by your lodge. The wildlife viewing while on a river safari in Chobe is unsurpassed anywhere else in Botswana. Elephants may line the water's edge, hippos will likely congregate in the lagoons, and many antelope and giraffe make their way to the water, while predators often wait patiently on the river banks. The lodge pioneered the use of electric boats for wildlife experiences on the water in 2014.

Start the day with an early morning safari drive through Chobe National Park, spotting majestic elephants, lions, and impala in the cool air. Return to the hotel for a hearty brunch. Then transfer to meet your dedicated, professional photo host before embarking on a Chobe River photo safari with camera equipment included. Glide along the southern channel of the Chobe River in search of elephants, hippos, and birdlife, capturing stunning wildlife shots with expert guidance along the water. Conclude the day with one final safari drive into the national park as you sip an included sundowner. Return to the lodge for a farewell dinner, celebrating your incredible journey through Southern Africa.

TODAY'S ACTIVITIES

Wildlife Safari Drive

Makgadikgadi Pans

3h-4h

Enjoy a morning safari in one of the world's top safari destinations. Search for elephants and giraffes grazing, photograph zebras and wildebeest and, with a little luck, you'll even spot animals feasting on a recent kill.

ACTIVITY

Take a look at how a small team of scientists and community officers are tackling one of Africa's most complex challenges - conservation efforts and the reality of human & wildlife coexistence in remote areas of Botswana. Hear from the managing director and resident wildlife biologist at Elephants for Africa, alongside the organization's community projects' manager to discuss these complex issues. The visit combines a guided camp tour with a structured presentation and open Q&A. Guests hear the issues from both the scientific and the community perspectives, directly from the people who live and work at the intersection of both.

Wildlife Safari Drive

Makgadikgadi Pans

3h-4h

Set out on another safari drive this afternoon to view the resident wildlife in their daily slowdown. Perhaps you'll see a few of the big cats – cheetahs, leopards and lions – as well as giraffes, antelope and herds of migratory zebra or wildebeest in search of water.

The golden morning light guides you on another safari drive through the rich habitats of Makgadikgadi Pan National Park, keeping an eye out for the resident wildlife in their natural environment. Under the midday sun, stay cool and relax at the lodge, perhaps visit the lodge's secret hide to spot birds or grazing animals drinking at the edge of the Boteti River. Following another thrilling safari drive, the evening transitions to the warmth of the crackling campfire. Sink into your seat and share stories from the day.

Okavango Delta Excursion

Okavango Delta

Step into the heart of Botswana's wilderness on an unforgettable journey into the Okavango Delta. Your adventure begins with a scenic drive in an open 4x4 safari vehicle, travelling deep into the pristine area teeming with wildlife and rich in natural beauty. Explore the Delta the traditional way, gliding quietly through the waterways in a mokoro canoe, steered by skilled local polers who know the channels like the back of their hand.

Back on land, a guided walking safari gives you the rare opportunity to connect with the bush on foot. Learn about the plants, animal tracks, and smaller wildlife often missed from a vehicle, while keeping an eye out for the Delta's bigger residents. This is more than a traditional wildlife safari, it's an immersion into one of the world's most remarkable ecosystems, guided by the people who call it home.

Awaken to the symphony of the delta and enjoy a light breakfast before your morning safari. Glide through the glass-like water in a traditional mokoro dugout canoe, listening to the gentle splash of the paddle, then step ashore for a guided nature walk across remote islands to track wildlife on foot. Spend a quiet afternoon at a secluded bird-viewing hide, watching kingfishers and herons fly above the reeds. Following afternoon tea, set out again by boat for another aquatic safari before settling into the lodge for the evening and gathering around the campfire.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

This compiled itinerary represents our thoughtfully designed plan, provided in good faith and correct at the time of publication. However, to ensure we deliver the most rewarding experience possible, our itineraries remain dynamic; we continuously refine our routes based on research, field insights, and guest feedback, meaning details may evolve between the release of our annual directory and your departure. Flexibility is a cornerstone of our travel philosophy, and while we intend to follow the path described, the nature of exploring unpredictable environments means alterations may occur, and any mention of specific destinations or wildlife encounters cannot be guaranteed. We invite you to view these travel times and details as an approximate guide rather than a strict contract, and we kindly ask that you review a final copy of your Trip Details a few days prior to departure to ensure you have the most current information for your upcoming expedition.

What important notes should I be aware of before the trip?

1. TRAVEL DAYS

While this expedition is not physically demanding, it involves traversing vast and diverse landscapes to reach Southern Africa's premier wildlife destinations. Some travel days include extended drives where road conditions may vary. These journeys are conducted in premium, air-conditioned vehicles designed for comfort, offering a unique opportunity to witness the changing scenery of the region.

2. YELLOW FEVER: COUNTRY DETAIL

There is no risk of Yellow Fever transmission in Botswana, Kenya, Malawi, Namibia, South Africa, Tanzania, Uganda, Zambia, or Zimbabwe. However, all of these countries require proof of vaccination under International Health Regulations to prevent importation of the virus. It is compulsory to show a valid Yellow Fever vaccination certificate if you are travelling to any of the above countries from a Yellow Fever endemic country, or have recently transited through one (12 hours or more in airport). Endemic countries include: Angola, Benin, Bolivia, Brazil, Burkina Faso, Burundi, Cameroon, Central African Republic, Chad, Colombia, Democratic Republic of the Congo, Republic of the Congo, Côte d'Ivoire, Ecuador, Equatorial Guinea, Ethiopia, French Guiana, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Guyana, Kenya, Liberia, Mali, Mauritania, Niger, Nigeria, Panama, Paraguay, Peru, Rwanda, São Tomé and Príncipe, Senegal, Sierra Leone, Somalia, South Sudan, Sudan, Suriname, Tanzania, Togo, Trinidad and Tobago, Uganda, Venezuela.

We advise all travellers on Southern and East Africa itineraries to carry a valid Yellow Fever vaccination certificate regardless of their country of origin. Given the multi-country nature of these itineraries, travellers will cross borders into countries that require the certificate as a condition of entry from preceding destinations. A traveller entering the itinerary from a non-endemic country may not require the certificate to enter the first country, but will almost certainly require it by the time they cross into a subsequent one. Yellow Fever vaccinations must be administered at least 10 days prior to entry into the first country visited. Under WHO regulations (effective 11 July 2016), certificates are valid for the lifetime of the person vaccinated, there is no 10-year expiry on the certificate itself, though some border officials may be unaware of this. Travellers should carry their original International Certificate of Vaccination or Prophylaxis (yellow card) at all times during the tour. Travellers without a valid certificate run the risk of being denied entry and will not be able to continue with the tour. Any additional travel expenses incurred will be at the traveller's own account.

3. COMBO TRIP

Please note that this trip is a combination of multiple G Adventures tours (Cape Town, Kruger). As such, the staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments.

4. MONEY EXCHANGE

We strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour. Please see the Money Exchange section for more details.

5. DRONES

The use of drones in national parks in Southern Africa is prohibited.

What is the role of the group leader during this trip?

Every National Geographic Signature departure is accompanied throughout by a dedicated National Geographic Expedition Leader, whose purpose is to ensure a seamless experience so you can fully immerse yourself in the destination. Your Expedition Leader offers deep insight into the landscapes you traverse, suggests enriching independent activities, recommends exceptional local dining venues, and connects you with our community friends along the way. Rather than acting as conventional guides, they possess a broad, sophisticated understanding of the historical, cultural, religious, and social tapestry of the region. To offer the ultimate perspective, we complement their expertise with specialist local guides whose deep regional knowledge adds profound depth to specific sites—delivering a masterfully balanced exploration.

What is the maximum and typical number of participants on this tour?

Max 22, avg. 16.

What meals are included in this trip?

20 breakfasts, 15 lunches, 18 dinners

What are the modes of transportation on my trip?

Private vehicle, 4x4 safari vehicle, boat, plane, mokoro, walking

How will we travel between destinations?

Across the vast, sun-baked savannahs of Africa, the line between a rugged journey and a front-row seat to the natural world depends entirely on your vessel. For this expedition, the terrain is traversed in custom-engineered, private 7-seat 4x4 safari vehicles. Outfitted with expansive sliding windows and a signature large pop-up roof, these mechanical beasts are meticulously designed to optimize wildlife viewing. To ensure both comfort and an intimate connection with the landscape, occupancy is strictly capped at six explorers per vehicle, with larger expeditions utilizing a convoy of up to three vehicles.

The African interior is a study in elemental extremes. The tracks beneath our wheels span the entire spectrum of terrain, from newly paved stretches to deeply rutted, bone-rattling pathways. During the scorching dry seasons, these trails transform into ribbons of dust. Yet, this traditional style of overland travel remains unrivaled. The vehicles offer a vital sanctuary of comfortable seating, while the autonomy of a private fleet grants us the invaluable luxury of spontaneity—allowing the expedition to halt at a moment's notice to witness a crouching lioness lock eyes with her prey.

In these remote regions, safety dictates our pace. All vehicles are outfitted with speed governors locked at a conservative 80 km/h, ensuring a controlled transit through unpredictable environments. For your personal protection against the sudden jolts of the terrain, seat belts must be worn at all times while the vehicle is in motion. Our vehicles are maintained to the highest standards, and in the unlikely event of a technical issue, our expert drivers are equipped to resolve it efficiently.

Are local flights included in the cost of the trip?

Local flights are included in this tour. Please note, there is a 20 kg weight limit for checked luggage and 7 kg for carry-on. The fee for additional weight or baggage is the sole responsibility of the traveller.

Is there an extra cost for travelling solo?

Yes, for those travelling solo there is a single supplement

Where will we stay during the trip?

Hotel (10 nt), Safari Lodges (10 nts).

What are the joining instructions?

To review the specific details of your starting property, please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

A seamless arrival transfer is included for guests landing on the first day of the itinerary, or up to three days prior if your pre-trip accommodations were arranged directly through G Adventures at our starting property. To maintain the exceptional quality and continuity of your experience, all scheduled services must run consecutively.

Upon arriving at the starting property, where check-in begins typically by 3:00PM, please look for a dedicated notice from your National Geographic Expedition Leader at the reception desk. This message will outline the specific details for our evening welcome reception and meeting—typically held between 5:00 p.m. and 7:00 p.m.—where you will gather with your Expedition Leader, Expedition Expert, and fellow travellers to look ahead at the days to come. Should you arrive later in the evening and miss this initial gathering, your Expedition Leader will leave a comprehensive briefing note for you at reception detailing the next morning's schedule.

Please note that the joining day of the itinerary can vary, please refer to your specific itinerary for further details.

For this particular itinerary day 1 is an arrival day and no activities have been planned on this day. Your Welcome Meeting will take place on day 2 (in the morning), where you will get a chance to meet your leader and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

What should I do if I can't find my airport transfer or experience arrival issues?

While we anticipate a seamless arrival, your peace of mind is our utmost priority. Should any unforeseen circumstances prevent you from beginning your expedition as scheduled, please refer to the essential emergency contact details provided in your documentation and contact us as soon as possible.

Upon landing, if you do not connect with our representative within 30 minutes of clearing customs and immigration, we recommend making your own way to the starting point property by following the Joining Instructions. Rest assured, you may submit a request to your travel professional upon your return to secure a refund for any transport costs incurred during this time.

Who do I contact for arrival issues or in the event of an emergency?

Should you require urgent assistance during your travels, your first point of contact should be our local representative or regional office. If your call is not answered immediately, please leave a detailed message with your contact information so our team can return your call and assist you as quickly as possible. The numbers can be found below.

EMERGENCY CONTACT NUMBERS

G Adventures Local Representative (South Africa)

From outside South Africa: +27 713823286

From within South Africa: 071 3823286

In addition, a dedicated toll-free line is available for guests within North America, connecting you directly to our global operations team during regular business hours. For support outside of standard hours, an emergency mobile line is actively monitored day and night to ensure you are never out of reach. In the rare event that your call is not answered immediately, please leave a detailed message along with your contact information so our team can return your call and assist you as swiftly as possible.

Toll-free (North America only): 1-800-465-5600

Your included arrival transfer has been meticulously arranged based on the flight details you provided. If you experience a flight schedule change or cancellation within 48 hours of your scheduled arrival, please contact our emergency number immediately with your updated details. Prompt notification ensures we can adjust your transfer; otherwise, you will need to arrange your own transportation to the starting property. Upon arrival, if your transfer representative does not connect with you within 30 minutes of exiting the arrivals area, please take a local taxi directly to the starting property.

What details should I be aware of when planning my departure day?

You will be met at your hotel property and transferred to the airport for your onward travels at the end of your expedition. Please refer to your individual itinerary for more details.

What are the packing guidelines and luggage restrictions?

When deciding what to pack, considerations will vary based on your specific itinerary, the regions you are visiting, and the season in which you are travelling. Generally speaking, we recommend packing thoughtfully and keeping your luggage to one checked bag at a manageable weight to facilitate seamless transitions throughout your expedition.

In addition to your primary luggage, you will also require a small day pack or shoulder bag. This smaller bag is essential for keeping your camera, water, and personal items close at hand during day walks, excursions, and daily explorations.

Where can I do my laundry on this trip?

Laundry services are available during your journey. Please consult your Expedition Leader for assistance with making these arrangements during your stay.

What are the visas and entry requirements for my trip?

Securing the necessary visas and travel documentation is an essential step in preparing for your upcoming expedition, and remains the responsibility of each individual traveller. Entry requirements fluctuate depending on your nationality and destination; while we strive to provide the most current information, immigration regulations change frequently. We strongly advise verifying all entry protocols directly with the relevant embassy or consulate well in advance of your departure. Please also ensure your passport remains valid for at least six months beyond your scheduled departure date from the country.

For tailored details specific to your nationality and destination, please consult our dedicated pre-departure resource page at

[here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

While personal spending habits naturally vary, we recommend factoring in your individual preferences for shopping, tipping, and beverages to ensure a seamless experience. In addition to these day-to-day comforts, we kindly ask that you maintain access to a minimum of USD \$200 (or its equivalent) as a dedicated emergency fund; though exceptionally rare, unpredictable circumstances such as changing weather patterns or natural events may occasionally necessitate a shift from our planned route, and this reserve ensures we can navigate any path ahead with peace of mind.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in South Africa is the South African Rand (ZAR). In Botswana, you pay with Pula (BWP). In Zimbabwe you can pay with either the South African Rand (ZAR), or USD.

Rand can be obtained locally by changing foreign currency or by using ATMs (where available) which will disperse local currency. Your Expedition Leader will inform you where you can change money throughout the tour and approximately how much money you will need.

Please note that due to past problems with forgery, \$US notes that are older than year 2006 are not accepted in Africa. Large note (\$US 50, \$US 100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to buy your visas at borders, you will need to bring \$USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa/Plus system cards are the most widely accepted debit cards. it is harder to find machines Mastercard/Cirrus cards. We highly recommend that if you hold a Mastercard, you obtain a Visa card prior to departure and travel with both. This is also useful should something unforeseen happen to one of your cards during your travels.

While there are many ATMs in the major centres, there are no guarantees that your credit or debit cards will actually work in Africa. Check with your bank.

Credit cards can be used in major cities and towns ONLY but please do not rely on them as a method of payment because they are generally not widely accepted. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. The majority of our optional activities can also be paid by credit card. Your Expedition Leader will advise on these.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

What are the tipping guidelines for this trip?

To ensure a seamless and elevated experience throughout your National Geographic Signature departure, gratuities have been fully taken care of for all included meals, activities, and luggage portage.

On our National Geographic Signature tours, tipping is included for all included activities and meals, and portage. Tipping is not included for the Expedition Leader. Should you want some basic guidelines on tipping for the activities you do on your own, please see below. At the end of each trip if you felt your National Geographic Signature Expedition Leader did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline would be \$10-\$15 per person per day. Tipping is neither required nor expected for your National Geographic Expedition Expert.

For the independent moments on your itinerary, tipping is generally not expected across Central Asia. However, should you wish to reward exceptional service during independent dining or activities, a modest gratuity of 3-5% is entirely appropriate and warmly received by local community members.

What activities are optional on this trip?

- No optional activities

Are there any health considerations I should know before travelling?

Please note that health requirements and recommended inoculations vary by destination. To ensure your well-being, it is your responsibility to consult with a specialized travel physician for up-to-date medical guidance well before departure.

We highly recommend carrying a personal first aid kit, hand sanitizer, and any essential prescription medications. Because our itineraries frequently trace paths through remote regions far from advanced medical facilities, legal regulations prohibit our National Geographic Expedition Leaders from administering any medication, including standard over-the-counter pain relievers. While local pharmacies along our route may stock familiar remedies, they are often produced under regional names, so we advise bringing the generic chemical name of any critical prescription. Before finalising your plans, please carefully review the itinerary and physical requirements to ensure your personal fitness aligns with our style of exploration. To safeguard the well-being of the group, we reserve the right to excuse any traveller from all or part of an itinerary if, in the professional judgment of our Expedition Leader, continuing would pose an undue risk to themselves or their fellow travellers.

Yellow Fever Certificate Note (Updated: June 2026)

It is compulsory to show a valid Yellow Fever Certificate if you are travelling to the following G Adventures-visited countries from a Yellow Fever endemic country, or if you have transited for more than 12 hours through the airport of a Yellow Fever endemic country:

Botswana

Kenya*

Malawi

Namibia

South Africa

Tanzania

Uganda*

Zambia

Zimbabwe

*Kenya and Uganda require a valid Yellow Fever Certificate from all travellers regardless of country of origin, not only those arriving from endemic countries. Travellers to these destinations should ensure they are vaccinated regardless of their travel history. If other non-endemic countries have been visited after visiting an endemic country, a Yellow Fever certificate may still be required on entry into subsequent destinations. This is particularly relevant on multi-country Southern Africa itineraries, for example, a traveller moving from Uganda to Kenya, or from Kenya across a land border into Tanzania, will be required to show their certificate at each entry point. Please check country-specific regulations before departure.

Malaria

Malaria is a mosquito-borne disease that is present in some regions in Africa. Risk of malaria can increase during periods of heavy rain, during the rainy seasons, and in densely populated areas of Southern & East Africa. To prevent malaria, we recommend speaking to your doctor about taking preventative medication (prophylaxis), combined with regular use of insect repellent spray/cream. Please check updated travel health advisories specific to malaria before your departure.

What general safety tips and free-time guidelines should I follow?

To ensure your well-being and security throughout our explorations, we recommend consulting your home government's regularly updated international travel advisories prior to departure. For peace of mind while on the move, we strongly advise using a concealed neck wallet or money belt to secure your passport, travel documentation, and currency. We suggest leaving exceptional jewelry at home, as it is unnecessary for our style of travel; instead, make use of the safety deposit boxes available at most of our accommodations. Securing your luggage with a reliable lock is also highly recommended.

When travelling on a departure, your National Geographic Expedition Leader maintains the authority to modify or adapt any portion of the itinerary should environmental conditions or safety considerations require it. Your Expedition Leader accompanies the group on all scheduled activities, but you will also enjoy unstructured time to pursue personal interests, relax, or discover locales at your leisure. While your leader is delighted to suggest local options for these independent periods, please note that these optional choices do not form part of our curated itinerary, and we make no representations regarding their operating standards; we encourage you to exercise your own discerning judgment.

While the destinations we visit are welcoming during the daytime, navigating urban environments at night requires mindfulness. We recommend exploring in small groups and utilizing local taxis when dining out or moving about after dark. Furthermore, should you encounter public demonstrations or political gatherings, please prioritize your safety by leaving the vicinity immediately rather than remaining for photographs, as these situations can evolve rapidly.

Water-based experiences carry inherent risks. To ensure your protection, we recommend participating in aquatic activities only when accompanied by professional guides. Our commitment to safety means that our Expedition Leaders are strictly prohibited from facilitating unguided water activities on your behalf. Please note that swimming and snorkelling are always undertaken at your own risk. For further insights on enhancing your personal safety during your voyage, please visit www.gadventures.com/travel-resources/safety/

Are there any specific safety considerations for this itinerary?

For peace of mind while on the move, we strongly advise using a concealed neck wallet or money belt to secure your passport, travel documentation, and currency. We suggest leaving exceptional jewelry at home, as it is unnecessary for our style of travel; instead, make use of the safety deposit boxes available at most of our accommodations. Securing your luggage with a reliable lock is also highly recommended.

What are the mandatory group rules regarding laws and behaviour?

Our philosophy of travel is rooted in deep respect for the people, cultures, and lands we encounter. To ensure the safety of our travellers, staff, and the communities that welcome us, the possession or use of illegal drugs is strictly prohibited on all departures. While certain substances may be woven into local traditions in some regions, they are not permitted within our groups. Furthermore, any form of exploitation, including the solicitation of sex workers, directly contradicts our values. To protect the integrity of the experience and the well-being of the group, our National Geographic Expedition Leader retains the right to remove any traveller who violates these standards.

What are the mandatory travel insurance requirements for this trip?

Comprehensive travel insurance is a mandatory prerequisite for participation in all our departures. To safeguard your well-being, your National Geographic Expedition Leader will kindly request to verify your physical policy details before you may officially join your fellow travellers.

When choosing your coverage, please ensure your policy includes full medical protection, featuring a strict minimum requirement of \$200,000 USD for emergency rescue and medical repatriation. For complete peace of mind while exploring, we also strongly advise securing comprehensive coverage for personal liability, trip cancellation or curtailment, and the loss of luggage and personal belongings. If you intend to rely on insurance provided through your credit card, you must supply formal proof of purchase—such as a credit card statement or receipt in your name—along with explicit confirmation from your banking institution regarding the participating insurer, exact policy limits, and their dedicated 24-hour emergency contact number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with [Planeterra Foundation](#).

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How can I share feedback about my trip experience?

Upon your return, we invite you to share your insights with us. Your valued feedback shapes the future of our itineraries and ensures we continue to deliver meaningful experiences. As a token of our appreciation for your time, we are pleased to offer a 5% savings (up to a maximum of \$100 USD) toward your next expedition with us. Simply submit your evaluation within four weeks of completing your travels to unlock this benefit and join our global community of returning travellers.

*This offer is valid for new bookings only, limited to one per person, and cannot be combined with other promotions or applied to independent itineraries. Maximum value of \$100 USD (or local currency equivalent). This program may be amended or withdrawn at any time.

What are the age restrictions for this trip?

You must be 18 to travel unaccompanied on a G Adventures tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

The safety and well-being of all of our travelers is a priority at G Adventures and that includes our travelers who identify as part of the LGBTQ+ community. We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security. We encourage you to visit our [LGBTQ+ page](#) for useful resources to ensure you feel safe and comfortable throughout the duration of your trip. The Equaldex tool linked on this page can be of particular help when deciding where you may want to visit next.

Dossier Disclaimer

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.
