Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. CAMERAS

Please note there may be times during your visit to Bhutan when the use of video and/or still cameras may be inappropriate. Local people may consider that filming is too intrusive and in these circumstances we will request that you do not film. At all times be aware and sensitive to the impact of photography and seek permission before taking photographs of people and respect their wishes if they refuse.

2. HIKING AND WALKING

Please note that there is a lot of walking and light hiking on this trip and some of it at higher altitudes. Please ensure you are in decent physical condition and able to walk for extended periods of time.

3. EARPLUGS

Bhutan, being a Buddhist country believes in ahimsa so the barking of dogs (and there are a lot of them) at night can be annoying. It's advisable to bring earplugs. If you are able to travel with a lot of patience and a good sense of humour, then we know that you - like all of us - will be captivated by what Bhutan has to offer.

4. CLOTHING

The prime requirement for clothes you bring on Bhutan trip is that they are comfortable and appropriate to the weather conditions that you are likely to meet. For protection against cold, particularly at night, a number of relatively thin layers is better than a few thick ones. Thermal underclothes, being small and light, can be very useful. Bhutan is very conservative and you should dress accordingly. As a general guideline, shoulders and knees should be covered at all times. The wearing of shorts is not allowed as it will restrict your entry into buildings of a religious nature and family homes. A water and windproof jacket, a hat and sunscreen are essential.

5. FLIGHT

Your arrival and departure flights into/out of Paro, Bhutan, must be booked by you online. Please visit the following airline websites to do so:

Druk Air

<http://www.drukair.com.bt/>

Bhutan Airlines

<http://www.bhutanairlines.bt/>

Flights can be booked from: Bangkok, Kathmandu, Delhi or Kolkata (please check Visa requirements if flying via India). Once your flights are booked, contact your G Adventures agent, who will be happy to assist in booking your International connections.

6. EXTRA NIGHTS

If you are planning to extend your stay in Bhutan, pre or post-tour accommodation MUST be booked through G Adventures in order for us to issue a valid visa for the duration of your stay. These extra nights will include a guide and meals in addition to the accommodation.

7. LUGGAGE

Please note that if you have extra luggage or bags you do not wish to bring along for the entire trip you will be able to leave them at the joining hotel and retrieve them at the finishing hotel when the trip ends.

8. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 18, avg 15.

What meals are included in this trip?

5 breakfasts, 4 lunches, 5 dinners

What are the modes of transportation on my trip?

Private vehicle, 4x4, walking.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels/guesthouses (5 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

Hotels (5nts)

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

For Bhutan, G Adventures will arrange the visa for you. The cost of the visa is included in the tour price. The Bhutanese visa is issued to your passport on arrival. No passport photos are currently required for this, but it's always good to travel with a couple current photos.

In order to arrange the Bhutan visa, please click on the following link for information and application [form](#)

These details need to be submitted to us 35-60 days before your entry into Bhutan.

We will then arrange the Bhutanese visa for you. The visa letter will be forwarded to you 2-5 business days before departure. We cannot get the visa letter issued any sooner, as it is issued by the Bhutanese government. Please print out the visa letter, you will be required to show this before boarding your flight to Paro.

Important: If you are planning to extend your stay in Bhutan, pre- and post-tour accommodation MUST be booked through G Adventures in order for us to issue a valid visa for the duration of your stay.

If arriving and departing Paro from India, please note that the Indian government has recently made some changes to visa regulation due to misuse of the Tourist visa. We encourage all passengers to contact the Indian consulate or embassy in their home country to get up to date information on entry requirements. This is especially important for those planning on entering India multiple times in a two month period.

As of February 2026, all non-Indian nationals entering India by air, land or sea must complete the e-Arrival Card online before arrival. Register within 3 days of arrival.

For more information and to complete the e-Arrival Card, we kindly request that you visit the [Indian Immigration](#) page.

Foreigners holding an Indian Tourist visa, who after initial entry into India plan to visit neighbouring Nepal, Bhutan or Sri Lanka and then re-enter into India within 2 months need to get special authorization.

You must have at least two blank passport pages available for each country you will visit on your tour. These are required for entry & exit stamps.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in Bhutan to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$4-5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline \$8-10 per person, per day can be used.

What activities are optional on this trip?

Paro

- Ta Dzong National Museum
- Kyichu Lhakhang Temple Visit

Paro Airport

- VAST Airport Experience

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.
