Livelihood opportunities in the valley of Bandarawela, Sri Lanka are limited for low income community members. Many rely on agricultural work, especially in the tea plantations, which can be arduous with little financial gain. Amba Estate came to the area with the purpose of promoting economic growth through their organic tea plantation, paying fair wages, sharing their profits with their workers, and creating opportunities for growth. Having established its place in the travel market, Amba is now ready to support community cooperatives as a means of better spreading the income of tourism throughout the valley.

Planeterra is working alongside Amba Estate by supporting the initial investment for the first community-led microenterprise that will work in partnership with Amba. Planeterra's catalyst grant covers the equipment, training and setup costs for a group of six women to formally become a chutney co-operative. The chutney will be sold back to Amba Estate for travellers to consume, as well as sold to guests and in markets throughout Sri Lanka. G Adventures travellers began visiting Amba in July 2018. They now have the opportunity to eat the delicious chutneys, meet the women and see how it's made!

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. Space is very limited on the boat, especially in your cabin. It is important that you only take on board soft sided luggage such as a mid sized backpack or soft duffel bag, keeping your bag's weight to less than 15kg. Suitcases are not appropriate for our sailing adventure as they are not pliable enough to fit into the niches available for luggage storage.
2. Fresh water is very limited on board, and as such we ask for your understanding that showers are limited to one quick shower per person a day. One towel per week is provided for showering purposes - please bring a beach towel. Drinking water is provided free of charge on board the yacht.
3. It's important to note that the beds in the cabins are not the usual length of a standard bed. Cabin beds are approximately 1.8m (6 ft) in length.
4. Displaying body art or wearing clothing that includes an image of the Buddha is illegal; please be culturally sensitive and respect the law and should you have any such tattoos, keep them covered at all times.
5. Please note that this trip is a combination of multiple G Adventures tours. As such, the staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments.
6. Traveling by road in Sri Lanka is certainly not what people are use to in Western countries. Many road ways are single lane, rules are not always followed, drivers appear to speed, do not stay in their lanes, and overtake in seemingly dangerous situations. Although there are some improvements in the works to the road infrastructure, there is a lot more to be done. As a result, some of the roads are poorly maintained, and this gets even more pronounced during and after the monsoon. As a result, travel time covering relatively short distances is very long in comparison to Western countries.
7. Some culturally significant sights in Sri Lanka may not allow entry to people wearing hats or hijabs, or to those with covered faces. Examples of cultural sites with such restrictions may include, but are not limited to, the Sri Maha Bodhi Tree section or the Anuradhapura Cultural Site, the Dambulla Cave Temple and Temple of the Tooth in Kandy.
8. ACCOMMODATION NOTE:
Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

What is the group leader like?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 15 (land), 12 (boat)

What meals are included in this trip?

13 breakfasts, 6 lunches, 9 dinners

What are the modes of transportation on my trip?

Private vehicle, 4x4, local bus, walking, 16m (54 ft) sailing catamaran.

What transportation will we take on this trip?

Please note that this is a sailing catamaran, and the skipper will be using wind power when the winds are agreeable. Although this is not a learn to sail program, you may have a chance to learn a few tricks of the trade and assist the skipper with navigation while sailing. There are times when motoring the catamaran will be required, due to unfavorable wind conditions.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Standard hotel (6 nts), sailing catamaran (6 nts), camping (1 nt).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

The catamaran is equipped with a total of 6 passenger cabins, 4 with double beds below deck, with a porthole and rooftop pop-top; and 2 bunk bed cabins on the main deck. The vessel also features an onboard kitchenette.

Power onboard is 220V on European 2 pin sockets. Please note that this is not suitable for sleeping aid machines, as the power source may not always be operating. Bringing a battery pack is recommended.

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What are the joining instructions?

The airport in Colombo (Katunayake) is around 32km north of Colombo center. Taking a cab is the most convenient way to get to your hotel in Negombo. Taxi drivers are famous to overcharge, so we recommend to use the prepaid taxi service offered at the airport - you can make the arrangements at designated counters outside the baggage-claim area after passing through several Bank Counters.

You will be able to change money into the local currency (Sri Lanka Rupee) at exchange counters open 24 hours at the airport. The Airport Taxi service, supervised by the Airport & Aviation Services, operates a counter in the arrival lobby and accept Sri Lanka Rupees. Please hire the vehicle from this counter & make the full payment. They will provide you an official receipt. Unfortunately scammers have set up similar services, so make sure the counter is operated by The Airport & Aviation Services. Your destination, the time of your arrival and the amount of luggage determine the rate, which you pay in advance at the counter, but should be between SLRS 2000 to 3000 to Negombo. A person will escort you to the designated taxi. If the driver demands more rupees, politely refuse, if they have driven safely you may like to tip him around SLRS 100.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time. Similarly the last day is a departure day during which no activities have been planned.

A G Adventures Representative will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

If your call is specifically concerning Airport Transfer complications please call our local G Adventures Transfer providers directly at:

When can I do my laundry on this trip?

Laundry is not available onboard the catamaran.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Sri Lanka:

As of October 15th 2025, it will be mandatory for all foreign nationals visiting Sri Lanka for tourism purposes to obtain an Electronic Travel Authorisation (ETA) prior to their arrival in Sri Lanka

Apply for ETA [here](#)

Information is accurate as of October 1st, 2025.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

There are many ATM machines that accept both Visa and Mastercard but these are limited to major cities. Major credit cards are accepted in most shops but they may charge a 2-4% transaction fee.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in Sri Lanka to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$4-5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline \$8-10 USD per person, per day can be used.

Are there any health considerations I should know before travelling?

Please note: We do not have a constant power source onboard, and cannot facilitate the use of Sleep Apnea/CPAP machines on the boat. Bringing a suitable battery pack is required.

Inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our CEO are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our group CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

When packing be aware that dress standards are conservative throughout Asia. To respect this and for your own comfort, we strongly recommend modest clothing for when on land. This means covering shoulders and no short shorts. Loose, lightweight, long clothing is both respectful and cool in the predominantly hot Asian climate. Shorts should be knee-length. Singlets and tank tops are not acceptable. Topless sun bathing is unacceptable.
