Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Are there Itinerary notes?

What important notes should I be aware of before the trip?

1. WEIGHT RESTRICTION
Please note, due to the nature of travel in Asia, a backpack is more more suited to this trip than a suitcase. We recommend keeping your bag's weight under 15 kg (33lbs).

2. Please note that on all Family Adventures one adult can only accompany up to two minors. If you have over two minors planning on travelling then a second adult will be required to attend.

OVERNIGHT TRAIN
On occasions, due to limited availability, your overnight train may be replaced with an overnight bus. If this occurs, you will be notified prior to travel via email.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our group leaders. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

What is the maximum and typical number of participants on this tour?

Max 20, Avg 16

What meals are included in this trip?

11 breakfasts, 1 lunch

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. Included breakfasts will usually be asian style consisting of noodles or rice soup or bread and eggs. Vegetarians will be able to find a range of different foods, although in some areas the choice maybe limited. While trekking in remote regions food is included, plentiful and made of fresh local ingredients. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Train, plane, ferry, private van, walking.

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (10 nts), sleeper train (1 nt)

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Night 4 (overnight train)

What should I expect from the accommodations on this trip?

Accommodation for family trips has been chosen to give the best location and facilities for your family. They may vary depending on the location and destination, but designed to give the most comfortable experience while travelling.

You and your family will generally be sharing rooms on a twin or triple share basis. These rooms will be either adjoining or located at close proximity to each other.

What are the packing guidelines and luggage restrictions?

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as your are expected to carry your own luggage. Suitcases are not recommended for G Adventures trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!) as they need to fit under the beds when travelling on sleeper trains. All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page here

Thailand:
Most nationalities do not need a visa for Thailand for stays of 30 days or less but if you do they are available on arrival at Bangkok Airport. If staying in Thailand for more than 30 days, you will be required to obtain a tourist visa in advance. Only 15 day tourist visas are issued when entering Thailand overland.

For more information and to complete the Arrival Card, we kindly request the you visit the Thailand Immigration page.

Information is accurate as of April 1st, 2025.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com It has been changing frequently in the past year. Major credit cards are accepted in most shops but they may charge a 2-4% transaction fee. Whilst travellers cheques have security advantages, they can be difficult to change. Visa and MasterCards are useful for cash advances. ATMs are also widely available that distribute the local currency. Please note that if carrying US Dollars, they should be in good condition (ie- not torn, wrinkled, or marked on in any way) and printed recently (after the year 2001)..

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD $250 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Departure Tax is included in all International and Domestic tickets in China, Thailand and Vietnam.

What are the tipping guidelines for this trip?

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from $1-$2 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline $10-15 USD per person, per week can be used.

What activities are optional on this trip?

Bangkok

- Siam Ocean World Visit
- Grand Palace Visit (500THB per person)
- National Museum Visit (200THB per person)

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

Are there any specific safety considerations for this itinerary?

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

What are the mandatory travel insurance requirements for this trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.
G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with Planeterra Foundation.

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating $1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites.
