## **Is there a disclaimer I should read before booking this trip?**

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

**VERY IMPORTANT:** Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

## **Is there a travel disclaimer for my itinerary I should review before booking this trip?**

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

## **Are there Itinerary notes?**

Effective May 1, 2025, all travelers entering Thailand through air, land, or sea must complete the Thailand E-Arrival form. You must register at least 3 days before arrival. Please see Trip Details for more information.

## **What important notes should I be aware of before the trip?**

### **COMBO TRIP**

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

### **WEIGHT RESTRICTION**

There may be a weight restriction for the internal flight on this tour. Each passenger is allowed one checked bag with a maximum weight of 20 kg (44 lbs) and one carry-on bag with a maximum weight of 7 kg (15 lbs). Additional bags or excess weight charges may apply. These charges are the responsibility of the passengers.

### **ANG THONG NATIONAL PARK ANNUAL CLOSURES**

Please note that Ang Thong National Park is closed annually during monsoon season, typically from mid-October to mid-December. On rare occasions, it may also be closed during extreme weather conditions. Should this occur, an alternative activity will be provided, such as a Lake Cheow Lan excursion.

## **What is the group leader like?**

All G Adventures group trips are accompanied by one of our Chief Experience Officer's (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are traveling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

## **How large will the group be?**

Max 16.

## **What meals are included in this trip?**

7 breakfasts, 2 lunches, 1 dinner

## **What are the modes of transportation on my trip?**

Ferry, Plane, Private Vehicle.

## **Are local flights included in the cost of the trip?**

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

## Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

## Where will we stay during the trip?

Hotels (7 nts).

## Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

## What are the joining instructions?

If you don't see a note, please ask reception for details!

## **What happens if I experience problems when arriving?**

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. ## What are the visas and entry requirements for my trip?

Please note that visas are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. We keep the following information up to date as much as possible, but rules do change. It is important that you check for yourself with the Embassy. Please, keep in mind that all countries require passports valid for at least 6 months from the moment of departure from the country.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Thailand:

Most nationalities do not need a visa for Thailand for stays of 30 days or less but if you do they are available on arrival at Bangkok Airport. ## What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

## Should I be tipping on my trip?

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

## What activities are optional on this trip?

### Koh Pha Ngan

- Koh Pha-Ngan Waterfalls Exploration
- Swimming
- Hiking
- Yoga and Meditation Courses

## What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

## What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

## Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

## What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with [Planeterra Foundation](#).

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

## How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites. In Southern Thailand topless or nude sunbathing is not allowed or appropriate and in some Muslim villages passengers should swim using a sarong or a long tshirt to cover up their swimsuit.

## How old must I be to join this trip?

You must be 18 to travel unaccompanied on a G Adventures tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

## Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

## What should LGBTQ+ travellers know about safety and travel considerations on this trip?

The safety and well-being of all of our travelers is a priority at G Adventures and that includes our travelers who identify as part of the LGBTQ+ community. We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security. We encourage you to visit our [LGBTQ+ page](#) for useful resources to ensure you feel safe and comfortable throughout the duration of your trip. ## Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered.
