Day 1

Tokyo/Mount Fuji

Welcome to Japan! Join your group early this morning for a welcome meeting in Tokyo then travel together to Mount Fuji! We'll take public transportation to arrive to the tallest mountain in Japan, the legendary Mount Fuji, to begin our epic adventure. Hike up the flower covered mountain and enjoy views of Suruga Bay, Sagami Bay in the Pacific Ocean and the top of the mountain on a clear day. Arrive at your hut where we'll stay this evening. Have dinner on the slopes of Mount Fuji before heading to bed for an extra early start tomorrow. End today at 2,700 m elevation.

The Mount Fuji portion of this trip is particularly difficult, nonetheless amazing. If it seems a bit too difficult for your abilities, check out Active Northern Japan: Tokyo & Hokkaido (AJTH) or Active Japan: Hokkaido Highlights & Okinawa Island Hopping (AJTN)

You will meet your group at the meeting point hotel in Tokyo at 7:45 am before departing for Mt Fuji together. Make sure to arrive to Japan with ample time to arrive at the meeting point to ensure you don't miss the departure time. Enquire about booking a pre-night hotel if you choose to arrive the day before.

The hike from Station 7 to the summit of Mount Fuji for sunrise is a challenging endeavor, requiring a grueling overnight ascent in thin air and cold temperatures. Despite the physical and mental demands, the breathtaking sunrise above the clouds makes every step worthwhile, offering a truly unforgettable experience.

Are there any additional packing suggestions I should consider?

All G Adventures tours in Japan use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size. As a result, it's essential to pack as lightly as possible.

Your luggage must be less than 160cm in total (calculated as the sum of the height + width + depth of your luggage). This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments.

We strongly recommend bringing a day pack or backpack to use during the day, in addition to your carry-on sized luggage.

If you absolutely must bring more than what fits into a single carry-on bag plus day pack, you may bring a second carry-on bag which also must be less than 160cm in total. Please note, however, that as with all G Adventures tours, you must be able to carry your luggage unassisted.

Travellers who bring luggage that exceeds this restriction will be directly penalised by the Central Japan Railway Company. Any luggage between 160–250cm will require a fee of 1,000 JPY per luggage, for each leg of your train journey, and is strictly subject to availability. Any luggage over 251cm in total is prohibited on the Shinkansen trains.

If passengers' belongings cannot fit in two carry-on sized pieces of luggage, their only other option is to use the luggage transfer "takuhaibin" service. This cannot be pre-booked and must be arranged with the CEO on the ground. The cost for this is USD25 per luggage (depending on size) and pax would have to pay this for each individual train journey on the tour. In addition, luggage is always next-day delivery. It will never arrive on the same day using "takuhaibin" service. Additional restrictions may apply on the ground.

Tipping within the travel industry is standard to recognize the guide for a great experience. Our CEOs work hard to make your trip special. If you're happy with their service, a tip of \$5-\$7 per day is a great way to say thanks, though the final amount is completely up to you.
