However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable, to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1) PROOF OF DEPARTURE REQUIRED

Costa Rica will not be allowing anyone to enter the country without proof of a departure ticket (bus, airplane, boat, etc.). Please print the itinerary and voucher and bring it with you.

2) NIGHT TURTLE TOUR - SEASONAL

Please note you will have the option (June-August) for one night turtle tour during your stay. Since this tour is operated by the National Park and the number of people allowed and tour times are strictly controlled, this tour will be arranged and confirmed for your applicable night once you arrive. What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Costa Rica is the Colon (CRC).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollars cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend you bring travellers cheques, as it is very difficult to exchange them in Costa Rica.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Costa Rica airport exit tax: \$29USD

Should I be tipping on my trip?

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels.

Also at the end of each trip if you felt your Local Guide did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

What activities are optional on this trip?

Tortuguero National Park

- Tortuguero National Park Guided Night Boat Tour
- Turtle Hatching Morning Excursion (Seasonal)
- Turtle Nesting Night Excursion (Seasonal) (51USD per person)
- Tortuguero Canopy zipline

Tortuguero

- Guided Kayak Excursion (60USD per person)

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of a G representative they are unable to complete the itinerary without undue risk to themselves and/or anyone else you're travelling with.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure.

Petty theft, bag snatching and muggings have been on the rise in San Jose. Though not common, there are certain precautions you should take when visiting the city. Although the cities visited on our tours are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions, as they are the safest and easiest way to avoid any issues one might encounter on the streets after dark. In addition, always leave your passport (It's better to carry a photocopy of it instead), credit cards and money that you won't be using in the hotel. Many of the hotels we use have safety deposit boxes in the room, or a general one at reception, this is always the safest method of storing your valuables. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Remember that like in any other city, you should never leave your bags unattended, nor flaunt jewellery, cameras etc

. A lock is recommended for securing your luggage. Please note that G Adventures has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns.

During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. Please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Stick to the main streets only during the day, and after sundown, please take a taxi. Taxis can be organized from reception of your hotel. Also, take the address of the hotel with you.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety.

Swimming, including snorkeling, is always at your own risk.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts yourself and those around you at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
