As a result, a very special G Adventures for Good supported project, Amani ya Juu, was created. Amani ya Juu serves as a community where many of these women can learn entrepreneurship and engage in fair trade activities that allow them to create opportunities for themselves and their families. By creating unique handicrafts symbolic of their cultures, the women can express themselves and receive an impactful income, leading to economic independence. Here you'll enjoy a locally sourced lunch prepared by women and youth of the community, engage in conversation to learn of their history, and build a greater connection with this incredible program.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

2. YELLOW FEVER

There is no risk of Yellow Fever transmission in Botswana, Kenya, Malawi, Namibia, South Africa, Tanzania, Uganda, Zambia, or Zimbabwe. However, all of these countries require proof of vaccination under International Health Regulations to prevent importation of the virus. It is compulsory to show a valid Yellow Fever vaccination certificate if you are travelling to any of the above countries from a Yellow Fever endemic country, or have recently transited through one (12 hours or more in airport). Endemic countries include: Angola, Benin, Bolivia, Brazil, Burkina Faso, Burundi, Cameroon, Central African Republic, Chad, Colombia, Democratic Republic of the Congo, Republic of the Congo, Côte d'Ivoire, Ecuador, Equatorial Guinea, Ethiopia, French Guiana, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Guyana, Kenya, Liberia, Mali, Mauritania, Niger, Nigeria, Panama, Paraguay, Peru, Rwanda, São Tomé and Príncipe, Senegal, Sierra Leone, Somalia, South Sudan, Sudan, Suriname, Tanzania, Togo, Trinidad and Tobago, Uganda, Venezuela.

We advise all travellers on Southern and East Africa itineraries to carry a valid Yellow Fever vaccination certificate regardless of their country of origin. Given the multi-country nature of these itineraries, travellers will cross borders into countries that require the certificate as a condition of entry from preceding destinations. A traveller entering the itinerary from a non-endemic country may not require the certificate to enter the first country, but will almost certainly require it by the time they cross into a subsequent one. Yellow Fever vaccinations must be administered at least 10 days prior to entry into the first country visited. Under WHO regulations (effective 11 July 2016), certificates are valid for the lifetime of the person vaccinated, there is no 10-year expiry on the certificate itself, though some border officials may be unaware of this. Travellers should carry their original International Certificate of Vaccination or Prophylaxis (yellow card) at all times during the tour. Travellers without a valid certificate run the risk of being denied entry and will not be able to continue with the tour. Any additional travel expenses incurred will be at the traveller's own account.

What is the role of the group leader during this trip?

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 14, avg. 10

What meals are included in this trip?

6 breakfasts, 5 lunches, 4 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. Please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

4x4 safari vehicles, private vehicles.

What transportation will we take on this trip?

The safari part of this trip is done in private, 7-seat 4x4 Land cruiser vehicles. With sliding windows and a large pop-up roofs, these vehicles are designed for wildlife viewing. If there is a large group, 2 or more vehicles will be used, and the group will be split up.

All G Adventures vehicles are regularly serviced and follow a strict maintenance schedule. However given the long travel days and rough conditions of many of the roads in Africa, vehicles can and do breakdown on occasion. If such situations occur all drivers are trained mechanics and any vehicle issues are rectified as quickly as possible so as to not disrupt your trip. Your patience is requested if the vehicle you are traveling in happens to encounter a mechanical fault.

This is not a physically demanding journey; however, travelling can be difficult, with long drives and poor road conditions at times. Please take note of the travel times and distances in the above itinerary, and consider that this is often on poor quality, bumpy roads. Despite this, most clients feel that the diversity of the African landscape, culture and wildlife are all well worth the experience.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (2 nts), Lodges (2 nts), Safari Camp Cottages (2 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

What information should I be aware of as the itinerary draws to a close?

If you would like to book an airport Departure transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

Are there any additional packing suggestions I should consider?

You will be on the move a lot, so our advice is to pack as lightly as possible. Your baggage should be clearly labelled and restricted to one soft compact suitcase, sports bag, or backpack, no larger than 30cm(height) x 30cm(width) x 60cm(length), maximum 15kg, plus a daypack. You will need a daypack big enough for a change of clothes, towel, toiletries etc to take with on the Serengeti excursion, but still small enough to fit into the smaller vehicles used for the excursion. Due to limited space in the wildlife-drive vehicles, big backpacks can unfortunately not be taken with to the Serengeti.

Please note, if you are travelling with a large amount of luggage and will be returning to Nairobi later in your trip, you may leave a portion of it at the start hotel, this is indeed possible as storage facilities are available.

A set of smart casual clothes is also advisable.

When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Kenya:

Please note an important update to the Kenya Electronic Travel Authorisation (ETA) process for travellers under 18 years of age.

The Kenya Immigration Department now requires all minor ETA applications to include the official Parent/Guardian Consent Form. Self-written parental consent letters will no longer be accepted.

To avoid processing delays, the form must be completed and signed by a parent or legal guardian before submission.

As of January 1st 2024, the Kenyan government announced the introduction of a new Electronic Travel Authorisation (eTA) scheme, eliminating the requirement for all nationalities to obtain a visitor visa for Kenya. ALL travellers must apply for the eTA, including those that were previously exempt.

For more information, please refer to the eTA site [here](#)

IMPORTANT NOTE:

It may be required to show a Yellow Fever certificate upon entering the country. Please check in with your local consulate and health expert for advice on Yellow Fever and other inoculations required for this area.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The local currency in Kenya is the Kenyan Shilling (KES, or KSH).

Shillings can be obtained locally by changing foreign currency or by using ATMs (where available) which will disperse local currency. Your CEO will inform you where you can change money throughout the tour and approximately how much money you will need for each country. The easiest foreign currency to exchange for locally for any of the local currencies is the USD; however the British Pound and Euro may also be exchanged as well. Please note that due to past problems with forgery, USD notes that are older than year 2006 are not accepted in Africa.

Large note (USD50, USD100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to rely on cash, please bring foreign currency (Euro, Pound, USD) with you, as it is often expensive to buy these currencies locally. And in more rural areas, it is often not likely.

If you plan to buy your visas at borders, you will need to bring USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa/Plus system cards are the most widely accepted debit cards. It is harder to find machines Mastercard/Cirrus cards. We highly recommend that if you hold a Mastercard, you obtain a Visa card prior to departure and travel with both. This is also useful should something unforeseen happen to one of your cards during your travels.

While there are many ATMs in the major centres, there are no guarantees that your credit or debit cards will actually work in Africa. Check with your bank.

Credit cards can be used in major cities and towns ONLY but please do not rely on them as a method of payment because they are generally not widely accepted. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. The majority of our optional activities can also be paid by credit card. Your CEO will advise on these.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Tipping is an expected, though not compulsory, component of your tour program. The gesture serves as an expression of appreciation for exceptional service, and amounts given are up to your discretion.

Tipping is one of the most direct ways that you can have a positive economic impact within the African community. Although it may not be customary for you, it is an important source of income for those in the tourism industry. Giving a tip should be seen as a formal 'thank you', and the action should in no way be awkward.

The best method of tipping someone that has served the whole group is to plan in advance, and not rush when it comes to saying goodbye. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

You may use the following as a guideline, all given in a per person format:

CEO: \$5 USD (per day)

Driver: \$5 USD (per day)

Supply crew: \$2-5 USD (per day)

Local guides: \$1 USD (per couple of hours)

Local guides (Zanzibar): \$2 per day

Hotel porters (Zanzibar): \$1 USD

Restaurant/café servers: 10% of the cost of the bill

What activities are optional on this trip?

Lake Nakuru National Park

- Lake Nakuru Afternoon Safari
Drive

Masai Mara

- Masai Mara Balloon Safari
- Morning Masai Mara Wildlife
Safari Drive

Are there any health considerations I should know before travelling?

We recommend you contact your family physician, or your local travel clinic for the most up-to-date health information at least one month before departure. Travellers should also carry a basic first-aid kit and hand sanitizers/antibacterial wipes on their travels. Medical facilities are basic throughout these countries. For your own safety, we strongly recommend that you advise your tour leader of any medical condition that may affect you while travelling with the group. Your tour leader will be able to inform you of local health advisories (e.g. drinking water quality). Please ensure you have all the inoculations recommended by your doctor.

Yellow Fever Certificate Note (Updated: June 2026)

It is compulsory to show a valid Yellow Fever Certificate if you are travelling to the following G Adventures-visited countries from a Yellow Fever endemic country, or if you have transited for more than 12 hours through the airport of a Yellow Fever endemic country:

Botswana

Kenya*

*Kenya and Uganda require a valid Yellow Fever Certificate from all travellers regardless of country of origin, not only those arriving from endemic countries. Travellers to these destinations should ensure they are vaccinated regardless of their travel history. If other non-endemic countries have been visited after visiting an endemic country, a Yellow Fever certificate may still be required on entry into subsequent destinations. This is particularly relevant on multi-country Southern Africa itineraries, for example, a traveller moving from Uganda to Kenya, or from Kenya across a land border into Tanzania, will be required to show their certificate at each entry point. Please check country-specific regulations before departure.

Malaria

Malaria is a mosquito-borne disease that is present in some regions in Africa. Risk of malaria can increase during periods of heavy rain, during the rainy seasons, and in densely populated areas of Southern & East Africa. To prevent malaria, we recommend speaking to your doctor about taking preventative medication (prophylaxis), combined with regular use of insect repellent spray/cream. Please check updated travel health advisories specific to malaria before your departure.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewelery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

Nairobi

-Always leave your passport (It's better to carry a photocopy of it instead), traveller's cheques, flight tickets and money that you won't be using in the safe deposit in your hotel room/reception. This is free of charge to G Adventures Adventure clients.

-Remember that like in any other city, you should never leave your bags unattended, nor flaunt jewellery, cameras etc

-Please don't wander through the city at night. Stick to the main streets only during the day, and after sundown, please take a taxi. Taxis can be organised from reception of your hotel. Also, take the address of the hotel with you.

-People are generally friendly, but don't let people take advantage of you, especially the sales people!

-Beware of people approaching you on the street with an apparent interest of where you are from, and want to sit down and have a chat with you. These people are most likely con men and try to get money from you in one way or another

-People on the street who ask you if you want a safari and have a brochure are often con men, best to avoid these folk.

Besides, you're already on safari!

Our suggestion is to dress moderately, and drink moderately. At all times be aware of your surroundings, and your actions, and to exercise caution.

Photography

Please refrain from taking photos of police stations, airports, bus stations, immigration and border crossings, army barracks and personnel, or any government building. It is against the law and will result in the minimum of your film and camera being confiscated.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
