Varanasi

Arrive in Varanasi at any time. Arrival transfer included.

Varanasi is the quintessential Indian holy city, where millions of Hindus travel for pilgrimage, to worship, to mourn, or to die.

Today's Activities

Arrival Day

Begin your adventure today. There are no planned activities so feel free to explore or rest up for the excitement ahead.

Private Vehicle

Lal Bahadur Shastri Airport - Varanasi

Settle in and scan the scenery from the convenience of a private vehicle.

Meet and Greet Hotel Welcome Meeting

On Day 1 of the tour, a G Adventures representative will meet you at the hotel to go over the details of the tour, providing a schedule, documentation/vouchers, and pick-up times for all included activities. The representative can also answer any questions about the tour or the general area.

Take a private city tour of one of the world's oldest cities and one of Hinduism's holiest sites; Varanasi is a fantastic spectacle of colours and pilgrim ceremonies. Later, take a sunset boat trip along the Ganges River where thousands of devotees perform holy rituals, hoping to attain eternal salvation. Witness the sunset prayers on the banks of the river.

Varanasi is a pure vegetarian town – no eggs, meat, fish, or alcohol is allowed (within a certain distance of the river Ganges). Opt to visit Chaat Gali, a street of vendors selling the spiciest chaat (savoury snack) in the state. A visit to Varanasi is incomplete without tasting paan -- it is the perfect end to any meal and comes in many varieties – stuffed with gulkhand (rose petal preserve), cardamom, or grated coconut.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. CULTURE

India is a country, which is very different to anything you will have experienced before. Although this means it is not the easiest place to travel, this is also what makes it so special. Pollution, poverty and the crowds can result in initial culture shock but should be seen as an exciting new challenge. During our time here we have come to love this large and wonderfully different country but we know that we should always expect to encounter some difficulties along the way.

In India there are very different attitudes to time keeping, public cleanliness, privacy and service. Trains will sometimes be late, plumbing can sometimes be temperamental and power will often just vanish. Optimistic menus turn out to have only one dish available and everyone, just everyone, will want to know your name. If you are able to travel with a lot of patience and a healthy sense of humour, then we know that you - like all of us - will be captivated by what India has to offer.

2. TEMPLES IN VARANASI

Note: Non Hindus are not permitted inside most of the temples at Varanasi

3. DOMESTIC FLIGHTS

Note: Flights to/from Varanasi are not included.

4. RAMANDA

Depending on the lunar cycle, Ramadan will fall between June 18th and July 17th, 2015. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. Only about 20% of Indians are Muslim, but it is important to note that there may be some limitations to services and disruptions to schedules during Ramadan. Generally our tours still operate effectively during this period and food is available to non-muslims throughout the day. It is important to display increased cultural sensitivity during Ramadan in predominately Muslim areas of India. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

What is the role of the group leader during this trip?

This tour is an Independent style trip with no group and no CEO (Tour Leader). A G Adventures representative will meet you and give you a briefing to start your trip and there will be local guides provided at the included sights.

What meals are included in this trip?

3 breakfasts

What are the meals like on this trip?

Eating is a big part of traveling. Traveling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the tour, unless specifically mentioned. There is a huge choice of eating options available in the city. Your local guide or representative or the hotels will be able to suggest favourite restaurants according to your taste and budget. Vegetarians will be able to find a huge range of different foods - India is vegetarian heaven. Please refer to the meals included and budget information.

What are the modes of transportation on my trip?

Private car/van, boat, walking.

How will we travel between destinations?

Transport is in a private air-conditioned vehicle for all arrival transfer and all sightseeing.

G Adventures can arrange flight tickets. Prices are available on request. Please note that the price charged will include our administration costs and our local partner's service fee so the ticket cost will be higher than if you purchase it locally or on line. G Adventures will not purchase flight until we receive full payment and complete passport details.

Reservations for train tickets in India open between 60-90 days prior to travel and are generally non-refundable. Book on line at www.indianrail.gov.in

Domestic flights can be booked on line. Check out the scheduled and low cost carriers operating throughout the country.

ROADS in India

Traveling by road in India or Nepal is exciting and not quite what many of us are used to. Rules are it would appear arbitrary, speeding, do not stay in their lanes, overtake in seemingly dangerous situations, spare use of lights. Travel time can be long in comparison to Western countries, short distances taking a lot longer than at home.

Land Transfers & Included Tours/activities: Many of the land transfers and included tours will be by private van, car or taxi, while others may be shared with other travellers depending on availability, nature of the activity and destination. For transfers, you may have a local non English-speaking driver only, for included tours, you will be accompanied by an English speaking local guide.

Are local flights included in the cost of the trip?

Local flights to/from Varanasi are NOT included.

Please Note: Only 1 piece of luggage that weighs up to 15kgs will be permitted on our internal flights in India. For any extra weight the airline may charge an additional fee at the time of check-in.

Where will we stay during the trip?

Comfort hotels (3 nts).

What should I expect from the accommodations on this trip?

Our Upgraded hotels are handpicked for class and comfort. The rooms have additional amenities and en suite bathrooms. All our hotels are centrally located and often chosen for the unique character and local flavour they offer.

A variety of styles of hotels/guest houses are used in India. These can vary in terms of service, efficiency and cleanliness. In many instances they might not be like what you are used to back home. Power cuts can and are a regular occurrence in many places, especially throughout North and Central India. Although a number of hotels have generators there may be times when these won't work. It is also recommended when you are in your room to lock the door, as staff will sometime enter without reason.

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What are the joining instructions?

An arrival transfer is included in this tour. Our driver/local operator will be waiting for you with a G Adventures sign with your name on it. Please check carefully once you exit the baggage hall as there seem to be hundreds of people waiting outside in the arrival area.

****Please note, the arrival transfer included occurs on Day 1 of the tour. If you plan to arrive prior to Day 1, you will be required to arrange pre-tour accommodation through G Adventures to be eligible for the transport from the airport. Due to customer experience and quality considerations, all services related to the tour must be continuous.**

Our operator for Airport transfers is Sita Travels. Their contact is Mr. Ashwinder Singh and his mobile number is (+91) 9910600881. The office number is (+91-124) 4703000

What should I do if I can't find my airport transfer or experience arrival issues?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact the emergency contact details provided in this dossier. If you have not made contact with our G representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions.

Who do I contact for arrival issues or in the event of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

All travellers must have a valid Indian visa prior to the start of their tour. Please note that visas for India are the responsibility of the individual traveller.

To obtain a visa for India, you may either apply for an e-Visa using the link below, or alternately visit the Indian embassy or consulate nearest you to apply for a physical visa on your passport.

India is now offering e-Visas for some nationalities. Please visit this link for further information, and to check if your nationality is eligible for an e-Visa: <https://indianvisaonline.gov.in/visa/tvoa.html>

As there are many fake websites, please only use the link above to apply for your e-Visa and for any additional information.

Please use the start hotel of your tour as a reference for your visa application. Contact us or your travel agent if you need further information.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com. There are many ATM machines that accept both Visa and Mastercard but these are limited to major cities. We also recommend the use of cash and travellers cheques in USD currency. Major credit cards are accepted in most shops but they may charge a 2-4% transaction fee.

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

All departure taxes should be included in your international flight ticket.

What are the tipping guidelines for this trip?

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the quality of the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels.

There may be times during the trip where you may wish to tip any local guides who have shown you around the monuments. Recommendations for local guides would range from 100-200 INR depending on the length of the tour and information given. At the end of your tour if you feel your driver/guide did a good job, tipping will also be appreciated. For your driver it would be recommended to tip in the range of 100-200 INR per person per day depending on the quality and length of the service.

What activities are optional on this trip?

- No optional activities

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information about before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling your G Adventures representative has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your G Adventures representative will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. We offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Are there any specific safety considerations for this itinerary?

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. A G Adventures representative will have the right to expel you if drugs are found in their possession or if they use prostitutes.

What are the mandatory travel insurance requirements for this trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your G Adventures representative, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with [Planeterra Foundation](#).

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting small rural communities or visiting temples or mosques or other holy sites as this may restrict your entry.

India is very conservative and you should dress accordingly. As a general guideline shoulders and knees should be covered at all times. The wearing of shorts is not allowed as it will restrict your entry into buildings of a religious nature and family homes. A light water and windproof jacket is useful and a hat essential.

NB: WE STRESS THAT IT CAN BE VERY COLD IN THE HILLS DURING THE MONTHS FROM DECEMBER TO FEBRUARY.

NB: During our trip there will be many opportunities for you to meet and "talk" with locals. One way to start any conversation is with pictures. We recommend that you bring some photos/postcards of your family, home, city or country where you live, animals peculiar to your country etc.
