Day 1

Varanasi

Arrive in Varanasi at any time. Arrival transfer included.

Varanasi is the quintessential Indian holy city, where millions of Hindus travel for pilgrimage, to worship, to mourn, or to die.

Today's Activities

Arrival Day

Begin your adventure today. There are no planned activities so feel free to explore or rest up for the excitement ahead.

Private Vehicle

Lal Bahadur Shastri Airport - Varanasi

Settle in and scan the scenery from the convenience of a private vehicle.

Meet and Greet Hotel Welcome Meeting

On Day 1 of the tour, a G Adventures representative will meet you at the hotel to go over the details of the tour, providing a schedule, documentation/vouchers, and pick-up times for all included activities. The representative can also answer any questions about the tour or the general area.

Take a private city tour of one of the world's oldest cities and one of Hinduism's holiest sites; Varanasi is a fantastic spectacle of colours and pilgrim ceremonies. In the afternoon take an excursion to Sarnath, where Lord Buddha preached his first sermon. Later, take a sunset boat trip along the Ganges River where thousands of devotees perform holy rituals, hoping to attain eternal salvation. Witness the sunset prayers on the banks of the river.

Varanasi is a pure vegetarian town – no eggs, meat, fish, or alcohol is allowed (within a certain distance of the river Ganges). Opt to visit Chaat Gali, a street of vendors selling the spiciest chaat (savoury snack) in the state. A visit to Varanasi is incomplete without tasting paan -- it is the perfect end to any meal and comes in many varieties – stuffed with gulkhanda (rose petal preserve), cardamom, or grated coconut.

Guided by a local expert, discover the archeological ruins of the monastery, the ancient Dhamek stupa. Explore the museum at Sarnath and the sacred Maha Bodhi Tree. Visit temples constructed by the buddhist people of Sri Lanka, Thailand and Japan. Stop to admire the Buddha statue located at the Thai Buddha vihara. What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). Swimming, including snorkeling, is always at your own risk. Read more about travel safety for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts others at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How old must I be to join this trip?

Minimum age of 2 years for this trip.

Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

The safety and well-being of all of our travelers is a priority at G Adventures and that includes our travelers who identify as part of the LGBTQ+ community. We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security. We encourage you to visit our [LGBTQ+ page](#) for useful resources to ensure you feel safe and comfortable throughout the duration of your trip. The Equaldex tool linked on this page can be of particular help when deciding where you may want to visit next.
